SENATE JOURNAL
FIRST SESSION 1993

FIRST DAY

SENATE CHAMBER,
Wednesday, January 27, 1993.

In accordance with law, as set forth in the Constitution of the State of North Carolina and G.S. 120-11.1, the Senate of the General Assembly of North Carolina assembles this day, at the hour of 12:00 Noon, in the Senate Chamber of the Legislative Building in the City of Raleigh.

The Honorable Dennis A. Wicker, Lieutenant Governor, calls the Senate to order.

The President extends courtesies of the floor to the husbands, wives, and invited guests of the Senators-elect and requests that they be seated beside their spouse or host.

The Chair recognizes the Sergeant-at-Arms of the 1991 Session of the General Assembly who announces the arrival of members of the Supreme Court of North Carolina, the North Carolina Court of Appeals, and the Superior Court of the General Court of Justice of North Carolina, at the doors of the Senate. The President directs the Sergeant-at-Arms to open the doors of the Senate and escort the members of the Judiciary, present, to their seats.

The Chair recognizes the Sergeant-at-Arms who announces the arrival of the Chapel Hill High School Vocal Ensemble, The Opposites Attract, at the doors of the Senate. The President directs the Sergeant-at-Arms to open the doors of the Senate and escort the members of the Vocal Ensemble to the Well. The President expresses appreciation to the group for the program of music rendered prior to the convening of the Session and for their participation in the remainder of the opening ceremonies. (See Appendix)

Prayer is offered by the Reverend Mike Morris, Senate Chaplain, as follows:

"God of Grace and God of Wisdom, the beginning of this Session of the Legislature is much like the beginning of a new year at school: new faces mixed with very familiar faces; fresh notebooks with names and committee rooms neatly written on the inside front cover; ideological mindsets anticipating the great opportunities and challenges that lie ahead.

"When the curriculum is chosen, the syllabi are distributed and the great volume of work is projected, allow perseverance to emerge from enthusiasm, dedication from ambition, wisdom from intelligence, so that at the end of every day, the Lieutenant Governor, each Senator and every staff member may say on behalf of the people of our great State of North Carolina, 'I have done justice, acted kindly, and walked humbly with You, O God.' Amen."

PRESENTATION OF THE COLORS

The Chair orders the Sergeant-at-Arms of the 1991 Session to open the doors of the Chamber for the presentation of the Colors by the Color Guard of the Pinecrest Air Force Junior ROTC from Southern Pines, North Carolina. Led by the Lieutenant Governor, the Senators-elect, distinguished guests, and all those present remain standing and pledge allegiance to the United States of America. (See Appendix)

The Chapel Hill High School Vocal Ensemble leads the National Anthem. The Chair dismisses the Color Guard which recesses from the Senate Chamber, followed by the vocal ensemble.

TO: THE HONORABLE DENNIS A. WICKER
PRESIDENT OF THE SENATE

FROM: SENATOR-ELECT DANIEL R. SIMPSON
27TH SENATORIAL DISTRICT

RE: ABSENCE UPON THE CONVENING OF 1993 SESSION

MR. PRESIDENT, THIS IS TO ADVISE YOU THAT DUE TO AN UNEXPECTED SHORT HOSPITALIZATION, I WILL BE UNABLE TO BE PRESENT ON JANUARY 27 WHEN THE SENATE CONVENES AT 12:00 NOON.

MY INTENTION IS TO BE PRESENT ON MONDAY, FEBRUARY 1, FOR THE CONVENING OF THAT SESSION TO ASSUME MY SEAT.

PLEASE EXPRESS MY SINCERE REGRETS TO MY COLLEAGUES ALONG WITH MY CONGRATULATIONS AND BEST WISHES. THANK YOU.

The Chair directs the Sergeant-at-Arms to escort the Honorable Sarah Elizabeth Parker, Associate Justice of the Supreme Court of North Carolina, to the House of Representatives as she is participating in the opening ceremonies in that Honorable Body.

REMARKS BY THE LIEUTENANT GOVERNOR

"At this time the Chair would like to make a few remarks to the Senators and guests. Members of the Senate and distinguished guests, I want to welcome everyone to Raleigh, especially the new Members as we convene for this, the 140th, opening of the North Carolina General Assembly.

"I want to express my appreciation to all the Senators for their help during my transition. I have had a number of productive discussions with many of you during that period, and I am promising all the Members to put forward my best effort so that I do not convene this Body when I say, 'Will the House come to order.'

"Seriously, I am honored to be before you as your new Lieutenant Governor. I come to the Office with a great deal of respect for this Body. Your past accomplishments have served our people well, and I mean that with all sincerity. I am, also, sincere in stating that, as your Lieutenant Governor, I come here as a friend and a team player who simply wants to do all I can to help you and to help our people.

"We gather at a time when nearly one million of our citizens do not have health care insurance; when nearly twenty percent of our children are growing up in poverty in this State, and when nearly a quarter of our people are functionally illiterate. Those are but a few of the major problems we face. Our needs are great, but our resources are limited. Tough decisions lie ahead.

"One limited resource, in particular, is the patience and trust of the people who elected you and me. They are tired of government gridlocked in inaction. They want to see their government work, and work for them. As Lieutenant Governor, I am here to work with you so together we can restore people's confidence in their State government. I want to be a facilitator in moving your agenda. From my vantage point, I can help identify the common ground and build consensus so that many of the good ideas that come from this Body aren't smothered in politics and partisanship.

"I want to now briefly outline to you what I believe the role of a Lieutenant Governor's Office should be. Let me hasten to add that I welcome scrutiny—I really do—because I have set high goals for this Office. As Lieutenant Governor, and as a member of the Executive Branch, I will be a spokesperson for our Governor. And in the very near future, Governor Hunt will be specifically spelling out my duties and pushing our agenda. Because of where I've been, I also feel that I can be a bridge between the two Legislative Bodies. Our relationship of trust and positive understanding is healthy; let us be independent and autonomous, but also together to the good and great cause of helping our 6.7 million constituents. Third, I see my role as Lieutenant Governor as being a policy troubleshooter, identifying the problems and offering solutions. I have specific plans to offer regarding small business health care, work force preparedness, and drunk driving legislation. I welcome your input on these proposals as we put forward them for debate.

"In closing, let me say that this is an exciting time for our country and our State, as we have new leadership in the White House and in the Governor's Mansion. Our challenge here is to work together to have a cooperative relationship so that we can serve the interests of, not the political parties or ambitious politicians, but the people of our State. It was John F. Kennedy who said that no government is better than the men who compose it. I would only add the word, 'woman,' to that thought. Otherwise, it rings true. The good we provide our State has only the limits of our own good in working together.

"Members of the Senate, along with the Senate leadership, I humbly offer this Body my services. I am here to assist you whenever and wherever possible. My staff is also eager and ready to help you. I look forward to starting our work together as we serve the people of our great State. Thank you very much!"

The President extends courtesies of the floor to former members of the Senate, as follows: Rachel G. Gray, from Guilford County; Joseph J. Harrington, from Bertie County; R. P. "Bo" Thomas, from Henderson County; Wendell H. Murphy, from Duplin County; Laurence A. Cobb, from Mecklenburg County; Clarence E. Lightner, from Wake County. Courtesies of the floor are extended to Ralph Campbell, newly-elected North Carolina State Auditor.

The President expresses appreciation to the Justices and Judges of the General Court of Justice for their participation in today's opening ceremonies and extends courtesies of the floor to the Honorable Willis P. Whichard, Associate Justice of the Supreme Court of North Carolina; the Honorable Henry E. Frye, Associate Justice of the Supreme Court of North Carolina; the Honorable Sidney S. Eagles, Judge of the North Carolina Court of Appeals, the Honorable Thomas S. Watts, Senior Resident Judge of the 1st Judicial District of the Superior Court of the General Court of Justice; and the Honorable William C. Gore, Jr., Senior Resident Judge of the 13th Judicial District of the Superior Court of the General Court of Justice.

The President extends courtesies of the floor and gallery to the families, friends, and guests of the Senators and to all visitors.

(c) All bills introduced in the Senate providing for bond issues, imposing fees payable to the State, its agencies, its licensing boards, or any of its subdivisions, levying taxes, or in any manner affecting the taxing power of the State or any subdivision thereof, shall, before being considered by the Senate, be referred to the Committee on Finance, and bills referred to other committees carrying any such provisions shall be reported to the Senate as being bills to be referred to the Finance Committee before proper action may be taken by the Senate.

(d) This rule shall not apply to bills imposing civil penalties, criminal fines, forfeitures, or penalties for infractions.

RULE 42.1. Fiscal notes.—(a) A chairman or vice-chairman of the Appropriations Committee, or of the Capital Expenditures Committee, or of the Finance Committee, or of the Rules Committee, or of the Ways and Means Committee, upon the floor of the Senate, may request that a fiscal analysis be made of a bill, resolution or an amendment to a bill or resolution which is in the possession of the Senate and that a fiscal note be attached to the measure, when in the opinion of that chairman or vice-chairman the fiscal effects of that measure are not apparent from the language of the measure. No bill for which a fiscal note has been requested may be considered for passage prior to the fiscal note being attached to the bill.

RULE 72. Assignment of seats; offices.—(a) The President *Pro Tempore* of the Senate shall assign seats in the Senate Chamber to the members elected. In making such assignments, each member elected to the immediate preceding session of the Senate shall be entitled to the seat occupied by him or to his selection of any other seat vacated. The President *Pro Tempore*, when assigning seats, shall give preferential consideration to the respective members according to the length of service which each member has rendered in the Senate. No incumbent appointed to fill an unexpired term in the immediate preceding session shall retain the seat if requested by a Senator elected to said session.

(b) Not later than two weeks after the initial committee assignments become final, the President *Pro Tempore* of the Senate is authorized to make assignments of committee rooms and offices to designated committees, chairmen, and members of the Senate. In making such assignments of individual offices, the President *Pro Tempore*, may give preferential consideration to the respective members according to the length of service which each member has rendered in the Senate.

The motion of Senator Sands prevails and the Chair declares the temporary Rules of the 1993 Session adopted.

ELECTION OF OFFICERS

The President announces the Senate ready to proceed with the election of officers, and declares the floor open to nominations for President *Pro Tempore*, pursuant to Article II, Section 14(1) of the North Carolina Constitution.

The President recognizes Senator Daniel of Caswell, and grants him permission to approach the Well of the Senate where he offers the following remarks:

"Mr. President, our Justices, colleagues, family members, guests all, this is a very special time for all of us: a day when we have the privilege of taking our Oath of Office as representatives of our Senatorial Districts; a day when we join together as members of this august Body, the North Carolina State Senate; and a very special day when we have the honor of electing those who will lead us. I know we all have high hopes for this Session. It is anticipated that this Session will be the best and most successful in recent memory.

"Along with that anticipation comes the reality that in order for that to happen, we must have strong and steady leadership at the helm. And I believe Marc Basnight to be that leadership. Noted for his consensus-building ability over his past four terms in the Senate, for his fairness, for his belief that hard work and teamwork are the foundation for making a difference. I am confident that he is the individual for the job in 1993. Over the last few years I have learned more and more about this fellow from the east, or this man from Manteo. Senator Conder and I had to struggle through living with him for the last two years. I learned that he loves all people, and all people love him. The five-hour trip that generally would take a normal person to come from Manteo to Raleigh turns out to be a day's journey, because he spends his time all along the way stopping at those little nooks and crannies. And for that reason, he's just walked into his fifth term while the rest of us had to run for our political lives.

"He is a man of complexity and simplicity—a complexity found in his soul-felt concerns about what is right and wrong for this nation and this State and her people, and what steps and strategies which can and must be taken to create a better life for all. But this complexity is ever hidden behind that devilish grin, behind that disarming and charming honesty of spirit and courage. A man of simplicity in the genuine caring and understanding that he has shown in his leadership role; in fighting for equitable treatment and attention to all areas of the State and all people of the State. Especially, as he has initiated and led the battle for low wealth and small school systems and our children.

"Marc Basnight cares about equal treatment, about equality, especially in education and keeping the playing field level for every child. He understands the very real fact that our little people of today are the fiber that will make tomorrow what he and all of us in this room desire. A better time for a better place and something that we all can be proud of. Governor Hunt's inaugural address dedicated his administration to the cause of better educating North Carolina's children. Now we in the General Assembly have the opportunity to select a champion of this cause. Marc Basnight is this leader. He's at the head of the class. Whether looking to education, economic development, or the environment, he believes these are not simply regional issues, but state-wide issues and that it will take all of us pulling together to get the best job done. But there must be a unity of purpose for what is good is good for all. Or they might say down in his coastal home town, a rising tide lifts all the boats.

"Marc is a true and faithful product of this unique region, the Outer Banks, that area of our State that has a heritage of consistently rising to meet the clarion call for leadership. Those are his roots, with history at every turn. This is his heritage—a heritage inspired by the sets of daring and pride brought to us from our mother country as the first settlers reached this shore and strived to call it home. A heritage formed by the very subtle twist of nature that battled the coastal area, but instilled in his people a sense of sheer and keen determination and a high degree of self-sufficiency. A heritage driven by the same forces of energy and renewal that we are seeing today in our nation, reaching beyond the far, far horizons to a new day, a new hope, and a new dedication to a future.

"Four hundred years ago, the leadership encouraged that Sir Walter Raleigh and John White settle this area of our State. In the 1870's came the lighthouses to warn and guide those brave enough to weather the storms and keep the ship captains on course. Then came the leadership of John Allen Midgette and those courageous local residents serving as lifesavers, devoting themselves to heroism for rescuing passengers and crews and troubled vessels which sustained the settlement of this area. And then, at the turn of this century, Wilbur and Orville Wright reached beyond their far horizon to a new day, to a new hope, and to a new dedication to a future, is this spirit of the area that is deeply rooted in its people and its native son, Senator Marc Basnight. He has fought hard to keep this heritage and sense of history intact, standing fast to protect this coastal area, her beauty, lighthouses, lifesaving stations, and a reputation which gives this State the pride in being "First in Flight," to preserve history and remind us all that, like the Wright Brothers, we should dare to dream.

"What was different about Raleigh, White, Midgette, and the Wright Brothers? Why did their dreams come true when others failed? My friends, the difference was perseverance, the certainty that it could be done, and the courage and boldness in making the attempt. In this man from Manteo, I see the same characteristics, the same determination, the same strength of character, the certainty of direction that can bring us all together to strive to stay on course, weather the forces of change, and build on that important thread of partnership of purpose.

"So, ladies and gentlemen, in the tradition of this Body, it is my deep honor to place in nomination the name of my dear friend and colleague for the Office of President *Pro Tempore* of the North Carolina Senate, Senator Marc Basnight."

The President recognizes Senator Hunt of Durham, and grants him permission to approach the Well of the Senate where he offers the following remarks:

"Mr. President, ladies and gentlemen of the Senate, distinguished guests, visitors and friends. It is indeed a pleasure for me to stand here today and second the nomination of Senator Basnight as President *Pro Tem* of the North Carolina Senate. Anticipating the thoroughness of the speech given by Senator Daniel in making the nomination, I pondered the question of what would be left that someone else might be able to say. I would simply say that Senator Basnight is a visionary, whose vision it is to see North Carolina at its best, to see North Carolina be all that it can be. We are a State where reports have classified our school districts as 'good, fair, and poor.'

"As our leader, Senator Basnight will work hard to bring forth the day when there will be no more 'poor' school districts, no more 'fair' school districts. Instead, we look forward to the day when we will have either all 'good' school districts or 'excellent' school districts. In North Carolina we have low income, moderate, medium, and high income individuals and families. Senator Basnight longs for and will work for the day when all of our citizens can afford adequate shelter, proper nutrition, affordable health care. All of this, along with a good chance for a solid education.

"North Carolina is inhibited by Protestants, Catholics, Jews, gentiles, and others. Senator Basnight wants all citizens in North Carolina to be recognized, with a view of sectarian neutrality. Living here in North Carolina are white people; black people; red, yellow, and brown people (laughter); and perhaps an alien or two of different color (laughter). Our nominee envisions the day when we all will interact with colorblind vision. Senator Basnight longs for the time when all gender biases will have been swept away. He has worked hard, and will continue to work in a diligent manner to bring about the day when this great State will truly live out the meaning of its motto, 'To Be, Rather Than To Seem.'

"Ladies and gentlemen of the Senate, please join with me in support of Senator Basnight's candidacy for the position of President *Pro Tem* of the North Carolina Senate."

The President recognizes Senator Perdue of Craven, and grants her permission to approach the Well of the Senate where she offers the following remarks:

"Mr. President, honored guests, and families assembled here on this great day for North Carolina. I consider it an honor and a privilege to stand before you today to speak to the nomination of Marc Basnight as President *Pro Tem* of this great Body. Senators Daniel and Hunt have already laid out for you so well Marc's many qualifications for this job. I echo their sentiments wholeheartedly. He is our friend and he will be a great leader for us.

"I first met Marc Basnight about ten years ago when he was serving as a DOT Board member. At that time, as he should, he focused mostly on eastern North Carolina, my home. He was committed to doing every single thing that he could do to make our area, which is so poor, grow and prosper. But during the years that I have known Marc, I have watched him change. I've watched him move to an understanding that what is good for the East must also be good for the Piedmont and the West, and that North Carolina, as a whole, must be, and is, his focus. That is the Marc Basnight of today.

"He knows, as do the members of this great Body, that leadership is the key ingredient for the stability of government, and is the primary vehicle for the progressive change we so badly need in this great State. This year will be a challenge for all of us, as we pay great attention to a public who is asking and, even demanding, positive, progressive leadership. Marc Basnight will, and can, provide that leadership during what I believe will be the most exciting and the most challenging Session ever in the history of this Body. All that we members here have to do is simply catch his vision. Senator Marc Basnight has the ability and the desire to lead North Carolina back into her proper place in this great country.

"Marc believes in the American dream that we can all succeed if we try. He is living proof that the American dream can happen to any North Carolina boy or girl. He is committed to making that dream a reality for every man and woman and child in our State, and Marc Basnight also believes in the greatness of North Carolina. He has the willingness to do whatever it takes to make her and keep her great. That, too, is our challenge. We must catch that vision for North Carolina.

"It is a true pleasure and an honor for me to stand here today and to complete this nomination of the gentleman from Dare County whom I call friend, just as you do. I would like for you to join me in voting unanimously for him. Thank you."

By Senator Sands:

"Mr. President, I move that the nominations be closed and that Senator Marc Basnight be elected by acclamation as the President *Pro Tempore* of the 1993 Session of the North Carolina Senate."

The motion offered by Senator Sands that the nominations be closed and that Senator Marc Basnight of Dare be elected President *Pro Tempore* of the 1993 Senate by acclamation prevails.

Being declared duly elected, the President appoints Senator Martin of Pitt, Senator Lee of Orange, Senator Plyler of Union, and Senator Winner of Buncombe to escort the President *Pro Tempore*-elect, Senator Basnight, to the Well of the Senate. Senator Martin of Pitt addresses the Chair and presents the President *Pro Tempore*-elect, Marc Basnight.

The Chair directs the Sergeant-at-Arms to escort the wife of the President *Pro Tempore*-elect, Sandy Basnight, to the Well of the Senate where she joins Senator Basnight as he receives the prescribed oath of office. The Honorable Thomas S. Watts, Senior Resident Judge of the First Judicial District of the Superior Court of the General Court of Justice of North Carolina, administers the prescribed oath of office.

The President recognizes Senator Basnight, President *Pro Tempore*, who addresses the membership from the Well of the Senate and offers the following remarks:

"Thank you. Lieutenant Governor, Members of the Senate, distinguished guests, my family, and my friends. It is with a deep sense of gratitude that I accept the Office of President *Pro Tempore* of the North Carolina Senate. And before speaking to that, I had a great deal of reservation as I awaited this opportunity because I knew who was making the nomination speech, a long-time roommate, friend, sharer of bathroom, and more dangerously so, a person who has been in my District and spent some time recently. George, you mean a great deal to me, as does Ralph, and Beverly, and those who escorted me to the Well of the Senate.

"And equally as much, each and every one of you Members, mean a great deal, not just to Marc Basnight and the Office of which you have elected him to, but you mean a great deal to the people of this State, which is far greater than what this Office is and what it will speak to. Obviously, I am honored by your action and I shall strive to make you proud of myself, as well as the Office.

"The Senate of which we are a part today is very different than the one, Richard, that we joined eight years ago. Then its Members were characterized by their uniformity. Today we are distinguished by our diversity. We are more a true representation of North Carolina, and we are better by it. Each of us has traveled a different path to reach here today, and each of us has arrived at this moment shaped by unique experiences. And each of us has come here with something of true value—our individuality and our commitment. I urge each of you to especially, and especially you new Members, to hold tight to these very precious commodities.

"Those of you who take your seats here today for the first time are filled with great hopes and ambitions to move North Carolina forward. Those of us who are continuing our service have great hopes and ambitions for you. Your fresh ideas and new perspectives are a valuable asset to this Body. I want you to remember that we all are equal partners in this process. I hope you will guard your independence and never lose your sight of the goals that brought you here today as a Member of this Senate and this Body. A few minutes ago, when you elected me President *Pro Tempore*, you chose me to lead you, you did not choose me to dictate to you or to make decisions for you on your behalf.

"Our strength lies in the diversity of knowledge. The experiences and ideas we bring to bear on the problems and issues that face us together jointly. I will do my best work for you and with you. I will do what is in your best interest, as well as all the people of this State. Together we can forge solutions to these problems. Together we can make a better North Carolina, and together we will make a better North Carolina!

"There is not one of us among this group today, Member or visitor, who has not argued and debated, worried and fretted about how to make North Carolina a better place for all her citizens. Sadly, it is a problem for which we have yet to find a solution. North Carolina is a land blessed by a variety of natural gifts and unrivaled beauty. This is one of her greatest assets; it is one of her greater strengths. For North Carolina is also a land varied in the quality of opportunities available to her citizens. That is one of her greatest weaknesses. We must do everything in our power to correct that weakness. We must guarantee that the possibilities of a lifetime are not limited by an accident of geography. We speak continuously of the 'Year of the Child.' We speak continuously of opportunity for all people, but it is time to stop speaking and start acting in offering solutions to the very problems that are real and facing our citizens as they are children today.

"When a child arrives in class on the first day of school unprepared to face the challenges and opportunities that await him, we have failed. We have failed not only that child; we have failed every citizen of this great State of ours. But it does us no good to prepare a child to face opportunities if they do not exist should his school have no computers, no modern science labs, and fewer no advanced classes. When a child steps into a school bus in North Carolina, be it on a dirt road or a paved street, in the biggest of our cities or the smallest of the crossroads, we must be positive he is headed for the best education that is available, measured against the very highest of standards that are possible. It is time to expect the most of our schools, our children, our government, and most especially, those of us elected today to carry forward the mission of reform for education

in this great State so that every child has the quality of education to be found from the coast to the mountains on an equal basis for all people regardless of their race, their sex, or their location, or the geography of where they came from. (Applause)

"In the days and weeks ahead, we will face many difficult decisions. Our needs are great: education; economic development, David; George, health care. We know what they are. We also know that without change these needs will largely go unmet. We have to make government work to meet the needs of not only today, but tomorrow, and the century that faces us. We have spent far too much time and far too little money with far too little to show for it. This General Assembly, working with the Governor and the Lieutenant Governor, has the opportunity to change that. We have the opportunity to leave a lasting legacy of good government for generations to come.

"As we go about our work in the coming days, we will hear from those on every side of every issue. We should listen, and listen carefully to the perspective they bring to the debate. But it is our duty to question, to explore every alternative, and then to make our decision, always based on the answer to a single question: 'What is best for North Carolina?' Not for our politics, not for our Districts, but for our State, North Carolina. It has been said that all power is a trust and that we are accountable for its exercise. As members of the General Assembly, we have been given a tremendous burden and a precious gift. The burden of power, and the gift of trust. By sending us here, our fellow citizens have demonstrated their faith in our ability and in our commitment to do what is right. They have entrusted us with their futures and laid upon us the obligation to care for the weak, the feeble, the old, and the young. Let us continuously strive to live up to that trust and to meet that obligation. Let us not fail. Together let us create not only a government by the people and for the people, but with the people. God bless you and thank you for giving me what you have."

Pursuant to Rule 65, the President declares the floor open to receive nominations for Deputy President *Pro Tempore* and recognizes Senator Walker of Randolph, granting him permission to approach the Well of the Senate where he offers the following remarks:

"Mr. President, Justices, Senators, guests. It is a great honor for me today to come forward to place in nomination a person who has been a very close friend of mine over the years, serving in the North Carolina Senate. This person that I've been, I think, about every place in every quadrant in this Senate from the left to the right and back to the center, as we have been seatmates over the years. I know all of you know of the work that this person has done.

"Robert Charles Soles, Jr. first served over in the House. This is something that I think will make him a great asset in this Session in working across from these halls to accomplish the things that need to be accomplished for the citizens of North Carolina. You have heard much already about the needs that are out there and the things that need to be done so far as our children. We know that's going to be a great program that we need to work on to make things better in North Carolina. R. C. Soles served four terms in the North Carolina House, from 1969 to 1976. I've had the privilege of serving in this Senate with him since 1977, and I know the work that Senator Soles has done (he's better known as R. C. to all of us) as he has handled some of the most difficult legislation that has come before the Bodies. I remember very well when we had all the buyouts and the mergers, that R. C. Soles was called upon as an attorney and head of the 'J' Committee to protect a lot of the things that had been a great part of North Carolina's heritage. The great companies that had been the real backbone of this State—the 'RJRs,' the different mills, the Burlington Mills, and many of those that have meant so much and contributed so much to North Carolina. And he handled that legislation, working not just with people within the State, but working with attorneys from Washington and New York, and doing much to protect North Carolina for its people.

"I would just like to make this for you a very short nomination. R. C. is certainly someone that I think will be an asset to our President *Pro Tem* and someone who can

work and spend much time in making things work much more smoothly. He has the experience, as I have said, with all of the years that he has spent in this General Assembly working for the people of North Carolina. And so, Mr. President, it is my pleasure and honor to place in nomination, for the Deputy President *Pro Tem's* position, Robert Charles Soles, Jr., better known to all of us as 'R. C.' Thank you, Mr. President."

The President recognizes Senator Tally of Cumberland, and grants her permission to approach the Well of the Senate where she offers the following remarks:

"Mr. President, honorable guests, Members of the Senate. I rise to second the nomination of Senator R. C. Soles, Jr. for our Deputy President *Pro Tem* of the Senate. I have known Senator Soles and his family for many years and I know them to be excellent, public-spirited citizens of the southeastern section of our great State. His family have been very active in the business, economic, and educational communities of our area for many years. Senator Soles has been well-educated in all the public schools in our area and in two of our great universities, UNC and Wake Forest. I served in the House with Senator Soles, and now for ten years, have served in the Senate. I have seen the caliber of work which he has done on important committees in many areas of our General Assembly. With very difficult problems, very difficult issues, and I have seen the analytical mind and the work that he has put into these issues. I am certain that he will continue to bring his training and experience in this position of service to all the people of North Carolina, and that he will be a tremendous help to the leadership of our Senate and to all of our State. It is with pride that I second the nomination of Senator R. C. Soles, Jr. as Deputy President *Pro Tem* of the North Carolina Senate, and urge your support. Thank you."

The President recognizes Senator Seymour of Guilford, and grants her permission to approach the Well of the Senate where she offers the following remarks:

"Mr. President, Members of the Senate, our honored guests, our staff, our families, and our friends.

"I am pleased to second the nomination of the Honorable R. C. Soles, Jr. for the office of Deputy President *Pro Tem* of the State Senate for the 1993-94 Session of the General Assembly. R. C. has been my front seatmate ever since I have served in the Senate, first sitting on this side and, as Russell Walker pointed out, now sitting on this side of the Senate.

"As has already been pointed out, R. C. has the experience of eight terms in the Senate and four terms in the House of Representatives, first being elected in 1969, and serving continuously (many of us can't say that), but R. C. has served continuously in the General Assembly since 1969 and is one of our most senior members. He possesses a genuine concern for his fellow Senators and his constituents and all the people of the State of North Carolina. As evidenced by the leadership role that he has taken through these many years in shaping the laws that govern the people of this State. He combines a quick wit, a pleasing personality, which will bring balance and which will serve each of us as he fulfills the duties of the Office of Deputy President *Pro Tempore* of the Senate. Thank you, Mr. President."

The President recognizes Senator Richardson of Mecklenburg who offers the following remarks:

"Permission to approach the Well of the House." (Permission granted)

Senator Conder:
"Mr. President."

President of the Senate:
"For what purpose does Senator Conder arise?"

Senator Conder:
"Would the Senator remember which House he is serving in today? We're in the Senate."

President of the Senate:
"The Senator, and the President of the Senate will be reminded."

Senator Richardson:
"When I said 'House,' I meant 'Big House.'" (Laughter)

"Mr. President, and Members of this august Body of Senators, distinguished guests, ladies and gentlemen.

"When we had our Democratic caucus, I seconded the nomination of Senator R. C. Soles for the position of Deputy President *Pro Tempore*. And even though we've had a long list today of nominations and seconds for him, I couldn't let this opportunity go because I consider R. C. Soles a friend, a great Senator. For the freshman Senators, especially, but all of us when you come into this Body, you try to emulate somebody that you think is doing the job well and good, and R. C. was one of the people that I emulated when I came into this Body four Sessions ago because he conducted himself in committee and on the floor like I would like to conduct myself. Anybody that has served going on twenty-five years in this Body deserves any office that he wants to run for. And R. C. held back and supported other people so that they could become leaders in this great Body, and now his time has come because he deserved all this. But I especially wanted to second his nomination because R. C. is a 'soul' brother."

By Senator Sands:
"Mr. President, I'd like to move the nominations be closed and that Senator R. C. Soles be elected by acclamation to the Office of Deputy President *Pro Tempore* of the 1993 Session of the North Carolina Senate."

The motion offered by Senator Sands that the nominations be closed and that Senator R. C. Soles, Jr. of Columbus be elected Deputy President *Pro Tempore* of the 1993 Senate by acclamation prevails.

The President declares Senator R. C. Soles, Jr. duly elected, and appoints Senator Parnell of Robeson and Senator Hyde of Buncombe to escort the Deputy President *Pro Tempore*-elect to the Well of the Senate. Senator Hyde of Buncombe addresses the Chair and presents the Deputy President *Pro Tempore*-elect, R. C. Soles, Jr. The Honorable William C. Gore, Jr., Resident Judge of the 13th Judicial District of the Superior Court of the General Court of Justice of North Carolina administers the prescribed oath of office.

The President recognizes Senator Soles, Deputy President *Pro Tempore*, to address the membership from the Well of the Senate, where he offers the following remarks:

"Mr. President, members of the Judiciary, my fellow Senators, distinguished guests, ladies and gentlemen: First, I wish to express my most sincere appreciation to the ladies and gentlemen of the Senate, who have given me this high honor to serve as the Deputy President *Pro Tempore* of the Senate.

"I wish to thank Senator Walker for nominating me, and Senators Seymour, Richardson and Tally for the kind remarks as they seconded the nomination. To Senators Parnell and Hyde and Senator Smith, I thank you for being the escort group.

"I wish to acknowledge and thank Senator—not Senator yet—Judge William C. Gore, Jr., the Resident Superior Court Judge of the 13th Judicial District, for administering the oath of office. You know, as we go about our duties here in Raleigh, we often see the members of the Court of Appeals and the Supreme Court, but we rarely see the trial judges from the Superior Court. Having both the appellate judges and the trial judges represented here today, we say to you, <u>all</u> judges, thank you for the good work you've done throughout North Carolina.

"To Mrs. Janet Puryear, my legislative assistant, I wish to acknowledge and thank you for the eighteen years of good service you've given to me. And to Mr. Steve Rose—I see him sitting over there—I want to say to Steve, my staff attorney, thank you for ten years of good, sound legal advice.

"You know, this is an exciting time! Our country has a new President who's brought a new sense of hope to the country.

"North Carolina has a new Governor—or at least a new Governor or a Governor with a new vision; one who has announced that he intends to make this the 'Year of the Child.'

"We have a new, experienced Lieutenant Governor that we look forward to working with.

"And from approximately seven million North Carolinians, fifty ladies and gentlemen out of that number have been selected to serve as Senators in this State.

"In order to carry out our duties as members of the Senate, we have elected Senator Marc Basnight as our President *Pro Tempore*; another outstanding young man with high ideals and the ability to accomplish much. Under his leadership we shall not fail, and I pledge to him and to you my very best as I carry out the duties of the Deputy President *Pro Tempore's* office.

"Today, I begin my twenty-fifth year as a member of the General Assembly; first in the House of Representatives, and then in the Senate. A quarter of a century of service. And I wish to take this opportunity to thank my family and my friends of the Eighteenth Senatorial District for their support all of these years. My heartfelt appreciation to all of you!

"I thank you, I thank you, I thank you again."

Pursuant to G.S. 120.37, the President declares the floor open to receive nominations for the Office of Principal Clerk.

The President recognizes Senator Winner of Buncombe, who offers the following remarks:

"Mr. President, the Members of this Body are ladies and gentlemen of great ability. But regardless of their ability, the quality of their work is solely dependent on the people, the ladies and gentlemen who staff this Body. All of us who have been here know that. The general public doesn't even think about it. Nobody is more important to the quality of our work than the position of Principal Clerk. The general public doesn't even know what that is. But each of us who have served here, and particularly those of us who have been Chairman of the Committee on Rules and Operations of the Senate, know it well."

"For the last four years, every day that we were in Session, I had a meeting with Mrs. Sylvia Fink about the assignment of bills, and other meetings about rules problems that came up from time to time. Her prowess in that job, both individually, and particularly as an administrator of a wonderful staff which she has had from the beginning of the time I've been here, is largely responsible for the smoothness of the operation of this Body.

"She is a person of great integrity, as is necessary for that job, and is usually the first person in the building and the last to leave at night, making sure the work of that office is done. But most of all, her loyalty is to this Body. She is a friend of each of us, and loyal to each of us, but more to the institution of the Senate than to its individual members. She has a tough constituency. Some of our constituents know what we do and some don't. But the fifty of us who have elected her for nine times know that she does the job and does it well. Therefore, Mr. President, it is my great honor and privilege to place in nomination for the position of Principal Clerk, the name of Sylvia Morris Fink."

The President recognizes Senator Odom of Mecklenburg, who offers the following remarks:

"Mr. President, Members of the Senate, and guests.

"It's my real pleasure to stand and have this honor to stand and second Sylvia Fink's nomination for Principal Clerk. All of the Senators here would stand up and would echo

and ditto everything that Senator Winner has already said, and so I am not going to go through some of those same statements and words, but simply say that I agree with him wholeheartedly and I am sure the rest of the Senators that have been here before do so also.

"To the new Senators, let me say this, that if you have a question about procedure in this Body, you go ask Sylvia Fink. And let me suggest this, that if, over the next two years, you see a discussion or an argument ensue and you see a Senator or Senators conferring with Sylvia Fink over what's going to be the interpretation, you might want to bet your money on Sylvia Fink being the one that has the right answer.

"It has been my privilege and honor to serve four years in this Body, and I don't know of anyone that I've ever worked with who has more knowledge about rules and procedures of a Body such as this as Sylvia Fink does. I don't know of anyone who is more efficient in a job, and I don't know of anyone who is more accommodating, whether you've been here for twenty-five years, like Senator Soles, or whether you've been here just one day as one of the fresh-persons, whether you're man or woman, in this Body.

"Let me suggest that sometimes instead of going to her, you may want to go to one of her capable assistants, and the reason I suggest that to you is, Sylvia is so accommodating, it's almost to a fault, because if you go after the simplest thing, information or whatever, she'll stop and drop what she's doing and take whatever time is necessary to help you. She takes the time to help. If you want answers about procedure, ask Sylvia. If you want information about anything dealing with this Body, ask Sylvia, and if you want to know where the best baked spaghetti is in Raleigh, ask Sylvia.

"Mr. President, this Body is fortunate to have someone so capable to serve this institution and to serve the people of North Carolina. It's my privilege to second her nomination."

By Senator Sands:

"Mr. President, I'd like to move the nominations be closed and that Ms. Sylvia Morris Fink be elected unanimously by this Body as Principal Clerk for the 1993 Session of the North Carolina Senate."

The motion offered by Senator Sands that the nominations be closed and that Sylvia Morris Fink be elected Principal Clerk of the 1993 Senate by acclamation prevails.

The President declares Sylvia Morris Fink duly elected and appoints Senator Sands of Rockingham and Senator Conder of Richmond to escort the Principal Clerk-elect of the 1993 Senate to the Well of the Senate. Senator Sands of Rockingham addresses the Chair and presents the Principal Clerk-elect, Sylvia Morris Fink. The Honorable Sidney S. Eagles, Associate Judge of the North Carolina Court of Appeals administers the prescribed oath of office and the President directs the Principal Clerk to assume her seat.

The President declares the floor open to receive nominations for the Office of Reading Clerk.

The President recognizes Senator Sherron of Wake, who offers the following remarks:

"Mr. President, members of the Judiciary, fellow Senate members, distinguished guests, everyone.

"I rise to nominate a man that has given twenty years of service to this North Carolina Senate. LeRoy Simmons is from Wendell, born as a local man down in the area there, grew up and went to the public schools, admitted to the tobacco business, and one of his trades was being an auctioneer. He has used that talent in this Senate where I've measured that no one is equal to him in this State. LeRoy has a wit, for you new Members, that only being here and hearing him read his bills and then doing a little ad-libbing at the beginning and end, will always bring a little chuckle from the members of this Body.

"It's a great pleasure, Mr. President, to place in nomination the name of LeRoy Simmons for Reading Clerk of the North Carolina Senate."

President of the Senate:
"The name of LeRoy Clark is placed in nomination."

The President recognizes Senator Speed of Franklin, who offers the following remarks:

"Ladies and Gentlemen of the Senate, and the Judiciary, and those of you in the audience, it's my pleasure to second the nomination of LeRoy Clark. Little more needs to be said about LeRoy's ability and good service to this Body, since he has served so long and so well. But I have known him perhaps more years than most of you, having been associated with him in the tobacco business for a number of years, and also I have had the pleasure of representing his home town of Wendell. So I know 'Roy' not only as an efficient and dedicated servant to this Senate, but as a good neighbor, a good citizen, and a good family man. It is my pleasure to second the nomination, and I move that the nominations be closed, and that Mr. Clark be elected by acclamation."

The motion offered by Senator Speed of Franklin that the nominations be closed and that LeRoy Clark, Jr. be elected Reading Clerk by acclamation prevails.

The President declares LeRoy Clark, Jr. duly elected, and appoints Senator Cooper of Nash and Senator Warren of Pitt to escort the Reading Clerk-elect of the 1993 Senate to the Well of the Senate. Senator Cooper of Nash addresses the Chair and presents the Reading Clerk-elect, LeRoy Clark, Jr. The Honorable Willis P. Whichard, Associate Justice of the Supreme Court of North Carolina, administers the prescribed oath of office, and the President directs the Reading Clerk to assume his seat.

The President declares the floor open to receive nominations for the office of Sergeant-at-Arms.

The President recognizes Senator Johnson of Wake who offers the following remarks:

"To place in nomination one to be our Sergeant-at-Arms. But prior to doing that, I would like to note to this Senate the fine service that Gerda Pleasants has performed in past General Assemblies. She elected not to succeed herself today, and we certainly will miss her.

"We are all privileged and honored to have an individual who will serve us well as our Sergeant-at-Arms. He is truly well-qualified, and I will leave it to others to give you a full recitation of his credentials. But let me, Mr. President, place in nomination the name of Cecil Goins as our Sergeant-at-Arms. Cecil is a good friend and he will become your good friend. He has worked long and hard in the vineyards, and with such service, has earned his way here today. I first got to know Cecil in the Tony Rand Campaign. Since that time I have personally witnessed Cecil's devotion to public service. He will serve us and the State of North Carolina well.

The President recognizes Senator Richardson of Mecklenburg, who offers the following remarks:

"Mr. President, I am almost tempted to ask you to approach the Well so I'll know where I am, and you know I know where I am. But I'll do it from my seat here. I rise to second the nomination of Cecil Goins for Sergeant-at-Arms.

"Mr. President and Members of the Senate, distinguished guests, and ladies and gentlemen. A little about Cecil Goins. Cecil is a native North Carolinian, a native of Southern Pines, North Carolina. He's a graduate of one of our universities in the University System in North Carolina, North Carolina A&T. He worked for the U.S. Marshal Services for twenty-five years, where he retired working as a deputy inspector

and a criminal investigator. He has served as Assistant Business Manager of Shaw University here in Raleigh. He has served as one of the Assistant Sergeant-at-Arms in the North Carolina Senate. He has served on many boards and commissions in the State and nation, and also the member of many organizations; civic, fraternal, and professional, in this State and nation. Cecil Goins is a dedicated man and will do us a good job. But equally as important, I am also proud that I am able to second the nomination, a historic moment, of the first Black, or Afro-American to serve as Sergeant-at-Arms of this great Body. And to also witness administering the oath, the first member, Black, of the General Assembly in modern time in the State of North Carolina, and also the first Justice of the Supreme Court, Justice Frye. I'm extremely proud, and I'm proud to second the nomination of Cecil Goins as Sergeant-at-Arms. Thank you."

By Senator Sands:

"Mr. President, I'd like to move that the nominations be closed and that Cecil Goins be elected by acclamation for the position of Sergeant-at-Arms of the 1993 Session of the North Carolina Senate."

The motion offered by Senator Sands that the nominations be closed and Cecil Goins be elected Sergeant-at-Arms by acclamation prevails.

The President declares Cecil Goins duly elected and appoints Senator Lee of Orange and Senator Ballance of Warren to escort the Sergeant-at-Arms-elect to the Well of the Senate. Senator Ballance of Warren addresses the Chair and presents the Sergeant-at-Arms-elect, Cecil Goins. The Honorable Henry E. Frye, Associate Justice of the Supreme Court of North Carolina, administers the prescribed oath of office. The President directs the Sergeant-at-Arms to assume his seat.

The President recognizes Senator Speed of Franklin and grants him permission to approach the Well of the Senate where he expresses appreciation to Mrs. Gerda Pleasants, the former Sergeant-at-Arms who is retiring, for her dedication to the Senate of North Carolina. Senator Speed presents Mrs. Pleasants with a gift of flowers, which she graciously accepts.

The President of the Senate directs the Reading Clerk to read as follows:

NORTH CAROLINA GENERAL ASSEMBLY
Senate Chamber
State Legislative Building
Raleigh 27611

January 27, 1993

The Honorable Dennis A. Wicker
President of the Senate
State Legislative Building
Raleigh, North Carolina

Dear President Wicker:

This is to advise you that the Senate Democratic Caucus met on December 12, 1993, with 36 members present and nominated the following officers for the 1993 Session of the General Assembly:

President *Pro Tempore* - Senator Marc Basnight
Deputy President *Pro Tempore* - Senator R. C. Soles, Jr.
Majority Leader - Senator J. Richard Conder
Majority Whip - Senator Ralph A. Hunt

Principal Clerk - Mrs. Sylvia M. Fink
Sergeant-at-Arms - Mr. Cecil Goins
Reading Clerk - Mr. LeRoy Clark, Jr.

Sincerely yours,
S/Joan R. Leatherman
Joan R. Leatherman
Assistant Secretary
Democratic Caucus

The President recognizes Senator Conder of Richmond, who offers the following remarks:

"Mr. President, Members of the Judiciary, ladies and gentlemen. Mr. President, we extend to you today a very warm and hearty welcome as the Presiding Officer of the North Carolina Senate. This is a very, very close-knit group of people, and I speak to you today on behalf of thirty-nine members of the majority party and tell you of our interest in working together with you and for the betterment of the citizens of the State of North Carolina. As I say, this is a very, very close-knit group. We work very, very well together. We accomplish a lot. We take our oath of office very, very seriously, and I would be remiss if I didn't remind you, as well as the others in the audience today, just this past Session, this Body passed governance of public schools, sent it over to the House. We also passed the veto power for the Governor. We also passed a lottery bill. We also passed the appointment of judges. We also passed a bond referendum for the University and Community College System. There again, these are issues that I think are vital and close to the hearts of the citizens of North Carolina, and I'm proud to stand before each and every one of you today to say that this was done on a bipartisan basis, something that we're very, very proud of, that I'm satisfied you're going to hear from it again.

"On behalf of myself and my wife, Barbara, who is here, I want to thank the Members of the Senate for giving me this very, very responsible position and post, and I pledge to you that I will do it to the very best of my ability and work as hard as I can. While I do have the floor, Mr. President, as I said I would be remiss if I didn't recognize my beautiful wife, Barbara.

"Also, I would like to recognize a person here today that's seated on Senator Plyler's left. He's affectionately known to us down in Richmond County as 'the Sheriff.' Sheriff Goodman is completing forty-four continuous years of service to the citizens of Richmond County—the longest Sheriff in the history of this State as far as continuous service is concerned. And Sheriff Goodman, we thank you for what you do for the people of this State and particularly, our County. But not only that, Mr. President, but every aspirant to state-wide office in North Carolina, at one time or another, comes through his furniture store and sits on one of the sofas in the store, and gets their directions of what they are to do. But strangely enough, the Sheriff knew before that guy or lady got to Richmond County, he knew when they left, too. So he kept track of all of them coming in there. So, Sheriff, we're proud to have you today, and I'm proud of Senator Plyler for allowing you to sit with him on the floor.

"Also, we have with us our District Attorney from our District, Carroll Latta. Carroll, we're glad to have you, too.

"Senator Basnight, I want to say especially, thank you for arranging today to allow the spouses and friends and guests of the Members of the Senate to be able to join us on the floor of the Senate. And one last word, Mr. President. We've seen Senator Frye here today. I also want to tell you that he also is a native of Richmond County. Senator Frye, we're proud of you, too.

"And again, thank you very much, ladies and gentlemen. I look forward to working with you in the months to come. Thank you."

The President directs the Reading Clerk to read as follows:

NORTH CAROLINA GENERAL ASSEMBLY
Senate Chamber
State Legislative Building
Raleigh 27601-1096

12/12/92

Ms. Sylvia Fink
Senate Principal Clerk

Dear Sylvia-

This is to inform you that I was re-elected as Senate Minority leader on November 7, 1992 at the Senate Republican Caucus at Davidson College.
Senator Betsy Cochrane was elected Senate minority whip.

Sincerely,
S/Robert G. Shaw

The President recognizes Senator Shaw, who offers the following remarks:

This Session will be no different from the standpoint of volume and complexity of bills which are assigned to the Judiciary Committees.

"Judiciary I will at times review legislation pertaining to Administrative, Civil and Business Law, but primarily it will consider legislation pertaining to the Administration of Justice and Criminal Law. Judiciary II may at times address legislation that concerns the Administration of Justice and Criminal Law. However, the primary task of Judiciary II will be the review of legislation pertaining to Administrative, Business and Civil Law.

"North Carolina is proud of its strong legal system and we appreciate your willingness to undertake this complicated process, which is central to the well-being of our State.

"On many occasions proposed local legislation has state-wide impact. It will be your duty to examine each piece of legislation and determine whether passage is in the best interest of not only the local citizens but also our entire State.

At the same time, the men and women who toil for a living need to know that they will be treated with respect and dignity.

"You will be beset by many demands, some of them at cross purposes. It is your task to find a balance between these demands.

On behalf of the Senate, you are charged as follows:

"Members of the Committee on Public Utilities, it would be difficult to exaggerate the widespread public concern present throughout North Carolina about the increased high cost of utilities. It would likewise be difficult to discover a more complicated legal problem than that of rate-making for public utilities.

"We are asking a great deal of you. So are the people.

"In your deliberation, the Senate charges you to work diligently, to be firm, to be fair-minded, and to keep your duty as representatives of the people always before you."

"Likewise, the taxpayers of this State and, indeed, of the whole nation are demanding efficiency in government. They deserve no less. We charge you to build carefully, to build for the future, and to build with our taxpayers in mind. They have demanded efficiency in government; we must provide that efficiency to the people of North Carolina.

"You and your Committee have been chosen because of our confidence in your ability to meet the challenge of the work which will confront you. Thank you for your willingness to serve."

On behalf of the Senate, you are charged as follows:

"The problem of construction, maintenance and upgrading of roads in North Carolina is a problem that demands continual and diligent review. We want to keep our reputation

as the 'Good Roads State' and ensure that North Carolina's roads will continue to be safe corridors of travel for all of their citizens, and at the same time, provide one of the means by which North Carolina's economy can grow and flourish. Good jobs follow good roads.

"Senator Speed, you and your committee are charged to examine and re-examine laws under which the Department of Transportation operates. Give careful consideration to such proposals as may come before you and be always receptive to innovative approaches to the problems of transportation.

You will be called on to review bond issues and other proposals that affect our spending and taxing policies.

"Senator Sherron, your experience in both Finance and Appropriations is invaluable to this Senate and the State of North Carolina. As such we are asking you to serve on both the Finance and Appropriations Committees. You and your committee are charged to work carefully with the Chairmen of both Finance and Appropriations to develop a truly balanced budget in the most difficult of times. Your expertise in both committees is needed now more than ever.

"The challenge will be even greater this year to continue to bring our budget into balance, considering our varying budget estimates and recent federal tax changes. The Senate, in advance, thanks you for accepting this challenge and your willingness to serve."

GOVERNMENT PERFORMANCE AUDIT SELECT COMMITTEE

It shall be the responsibility of this committee to examine every proposal pertaining to the operations of state government and to recommend those that will help our government achieve the highest level of service possible for the people of North Carolina. Senator Martin, you and the members of your committee face a difficult task. But we have every confidence in your ability to achieve the goals set before you."

The Chair recognizes Senator Basnight, who offers the following remarks:

"Yes, thank you, Mr. Chairman. We did this quickly 'cause we completed them about as quickly as we could. If fact, they just brought them into the Chambers a few minutes ago and we haven't had time to reproduce them. But we will be doing that, I hopefully, right now Roy so the members can have them and take them home over the weekend. This obviously will lead the Senate in making the decisions that shapes the future of our State. And you as chairmen, and members of the committee, I only ask you to do what is in the best interest of the people. And I am certain that you will.

"You freshman, you new Members of this Body, will obviously note and see that you have been given some very prominent roles as members of certain committees. I want to see that that prominence that you have been given will give you an opportunity to deliver, what I believe and Members of the Body who have been here previously before you, know you will be able, and that is your vision of a better North Carolina.

"If there are some inconveniences to your schedule, as you may find it to be, and hopefully there isn't in the committee assignments, I would ask that you get in touch with myself or Sandy and we will try to accommodate you as best we can. If you feel that there is a change on a committee assignment that would better serve you, let me know and I'll certainly try to accommodate you as well. If there are some inconveniences that you feel will not best serve your needs as individual Senators because of a certain assignment or some, maybe some interference could be found because of your employment or something such as that, let us know, also, as well and we will do what we can to make those accommodations.

"I encourage you to use these positions in these assignments to do the things that brought you here, and that is to make a better State. And thank you very much for accepting the lead as chairmen of these committees and accepting your role as members of the individual committees to make a better North Carolina."

From the outset, Your servants have been and will be asked to make important choices and decisions about legislation. Some of these decisions will be made easily because the facts are just plain as day, others will be painfully difficult because proponents and antagonists will argue persuasively to what appears to be a draw.

"Especially at these times, remind the Senators that the distress of choice is always the chance to help others! Amen."

Our Heavenly Father, the experience of history is clear...there are some things You will never do, O Lord, until You find a person who prays. We might well consider that sometimes Your will depends on our cooperation.

We must think...Your truth is never blazoned on the sky that we might find it without seeking!
We must work...You store the hills with granite but workmen built the great buildings.
We must pray...As communication, prayer is one of the three forms of our cooperation with You.

Remind us...
Some things never without thinking

Some things never without working
Some things never without praying...

Amen."

February 22, 1993

By Senator Edwards:

"Thank you, Mr. President and members of the Senate. I had an opportunity to sit over in the House a few moments ago and listen to the words that came from the members of that Body, and, of course, I happened to have been a member of that Body during the time or, at least, for eight years while Representative Jeralds served. As I listened to them and listened to the high regard that they had for Representative Jeralds, and knowing that some of the members of this Body also served with him, I thought I would just suspend the reading of the resolution or ask that it be suspended and that I'll speak briefly on the resolution concerning our friend, Representative Jeralds.

"Even though Representative Jeralds was born in neighboring Robeson County, he nevertheless was brought by his family to Cumberland County while yet a child. And because of his coming there so early and spending his entire life there, Cumberland County considered him as a native son, as a distinguished and honorable person who brought honor and distinction to the County itself as to the City of Fayetteville. And, in that sense, I just thought that I need to say that he attended public schools there in Cumberland County and graduated with a great deal of honor and respect from the high school there being an outstanding athlete. Following there he went to North Carolina Central University in Durham where he starred as an athlete, and where he was known also for his doing well academically there. He did so well in his football playing that he was drafted by a major sport, I believe it was the National Football League and served with two or three of our National Football League teams.

"Coming back to Fayetteville he became a businessman. The truth of the matter is I just observed him casually for a long time. I knew him as Luther "Nick" Jeralds, businessman, but I had no really reason to be in constant contact with him until 1982 when, because of the redistricting there was a 17th District organized in Cumberland County that gave minorities an opportunity to be represented in the House of Representatives, there was a two-seat district but three of us ran and, of course, Nick and I won. It was from that time forward that I began to note him well. We became friends and beginning in 1983, we served in the House for eight years. And during that period also, his family and my family became very close. His wife, Joanne, and my wife, Luella, became friends, and the entire relationship grew until the very end."

"Now, Nick Jeralds was a serious minded person who went about his duties not with a great deal of noise, but with a great deal of dedication and commitment. Singularly having a special interest in children and more recently in health issues. We worked together on special projects. We co-sponsored really most of the bills that benefited the County and the State, and you could always tell that he had done his homework. And, because of that, we did not have too much difficulty in getting our bills through. More recently, Nick served as Co-chairman of the Select Committee in the House dealing particularly with health issues and with children issues. It also ought to be noted that during his first year, his first term, in the North Carolina House, Nick was appointed to the Advisory Budget Commission which was a significant appointment, and he served it well; and Fayetteville and North Carolina benefited by it.

"I could go on and on and talk about Nick and his work and his family, but I know others will want to talk about him. But the members of his family are here. His widow, Joanne, his son, Adonis Nicaro, we call "Sporty" who now lives in Charlotte, his son, Adrian Dominick, who now resides in Winston-Salem, and his beautiful daughter, Arica Minikki, who is a graduating senior and will be going off to college for the next session. His mother, Mrs. Amy Jeralds is here, his grandchildren, his in-laws. And, at the proper time, I hope you will recognize this.

"I believe that Nick would have me say something else that is sort of personal. I heard that the House talk about him, but there was another side of Nick, that being a pastor myself, that we had some relationships that I think are noteworthy here. I think he would want me to say it, and I said it when I gave the memorial tribute at his funeral service. About five or six years ago, Nick had a spiritual experience that changed his life. We talked about it a great deal, and I believe that what happened to him at that time

sustained him during those difficult days. As I went by to see him, we would talk about what was happening politically and in the Legislature. But before I left, always, we would talk about his spiritual experience, and he had me to know that his faith was strong even though his body was weak. And for that, naturally, I became very close to him. And so, Mr. President and members of the Senate, at the proper time if you will recognize the family, and I commend the resolution to you."

By Senator Ballance:

"Mr. President and members of the Senate, and to the family and friends of our friend, Nick Jeralds. I will be brief. I know the family has been here in Raleigh now for a couple of hours, and I know that members of the Senate were kind enough to wait around for more than a half hour just to allow the House to complete its reading of this resolution and debate of it, so I will be brief.

"I want to just say a couple of things. Ten years ago, when I first came as a member of the House, I knew Nick Jeralds before then but we became real close during that Session. In fact, we roomed together in 1983. Then when we came back in 1985, we got along very well and decided to try it again. This time, we got a house and you would be interested to know, Senator Edwards, that we brought in Reverend Sidney Locks to be our third roommate in 1985. And then later we did not room together following that. But during the, I believe, it was during the '83 Session this little story I want to tell you about.

"You know, Nick was a pretty determined fellow as his wife and family would know. Back then some of us recall there was a law on the books that said if you got a speeding ticket, you had to sign the ticket. Well, I came down here with a bill in my pocket, put it in and it passed the House flying; but when it got to the Senate, the Commissioner of Motor Vehicles didn't like it, I believe his name was Mr. Wilkerson from Little Washington, at that time, and the bill didn't pass the Senate. Well, that— one night, Nick was coming home, and he didn't quite get there, and I got a phone call from the local lock-up, and they had Nick Jeralds down there. I said, 'What's wrong, "Room"?' He said, 'Man, they gave me a ticket, but I wasn't going that fast, but then he wanted me to sign it.' I said, 'Well, did you sign it?' and he said, 'No.' I said, 'Well, I'll be down to get you out.' So, I went down and got him out of jail that night, Joanne, but he was determined in whatever he believed in, he stuck with it. Later on, the following year 1985, I came back with that same little bill in my pocket. It passed the House. Mr. Wilkerson was no longer over DMMV, and it passed the Senate. There was no opposition. And now, if you get a speeding ticket, you can sign it if you want to, but you don't have to.

"I want to tell you just one other thing about Nick. He always gave me good advice. Whenever I had an issue that I wanted to bring up before him, sometimes I didn't have to bring it up. But he gave me good advice. Time, like an ever-flowing stream, bears all its sons away. They fly, forgotten as a dream, dies at the opening of day. Now, Nick Jeralds will not be forgotten because he touched so many lives. He cared for too many people, and he worked too hard for us to forget him. Thank you very much."

By Senator Tally:

"Members of the Senate, I am sorry I can't see the members of the family. I did see some outside beforehand. But I am so proud that we had the opportunity for Nick Jeralds. He was an old friend of mine, and when he decided to run, a neighbor of his called me and said I want you to come over and give him some advice. Senator Ballance, I was giving advice at that time. I had been in the House ten years; thought I knew a great deal and was running for the Senate at that time. Of course, we all learn we don't know everything. But Nick was a wonderful person, and he sat there, and he listened to me, and he talked with me, and then he asked some very pertinent questions. And I found out that he knew a great deal already, and that he knew a lot about children. He knew a lot about health issues, and he knew a lot about housing issues. He was very interested in really coming to the General Assembly and doing something for his people and for all of us in Cumberland County.

"I value that meeting. We talked a long time. It was really a great challenge for me. I found he had a lot of courage. Even then, he would always speak his mind. He would say what he thought. He would say what he thought was best for his community. I think that Nick Jeralds is a credit to all of us, and I think that his memory will live a long time for that reason. Also, during this past year, he was learning a great deal about health care reforms, which we are all interested in and talking about now. It is now what we call 'the cutting edge.' At that time, it was just beginning, and he went out of the State on a number of meetings, and he learned a lot, and he brought back a lot of information. And I think that we will find that some of that information will come out in some of the reports and in some of the bills that we have this time.

"To his family, I want to say that we loved Nick very much, and we love you, and we hope that you will bear with us as we go ahead, and as we try to carry out the things which he would have wished us to do, and with all the courage that he had. Thank you for your support."

By Senator Richardson:

"I know that it is getting late, but I would be remiss if I didn't get up and say a few words about Nick. Joanne and my wife became very good friends since I became a Legislator and his family. And since his son, 'Sporty,' has moved to Charlotte, we have become very close. We attended the Southern Legislative Conference and other conferences, and we kind of hung out together when we go to these conferences, and Nick became very popular at the Southern Legislative Conference winding up being the Vice-Chairman of the Human Resources Committee, and I served on that Committee also. I served in the Legislature on all the Human Resources Committees that Nick served on in the House, and I served on in the Senate. One of the last pieces of legislation that I dealt with that Nick introduced on the House side was a ban beating children in day care centers. And that bill was very important to Nick as other bills dealing with children. And I began to run into a little trouble on this side with that bill with questions about the legality of how the bill was written and all. I would go back and tell Nick, and he said, 'I don't care what it takes, you just tell me who is talking against it, and I will go over there and lobby them myself.' And he did, and we passed that bill, and he was very proud of that. I am proud to say that I was a friend of Nick and his family's, and we will miss him very much, and I commend the resolution to you."

By Senator Walker:

"Mr. President and members of this Senate and members of the family, I am like Senator Richardson. I'd be remiss if I didn't speak to—having worked with Representative Jeralds on Human Resources. I don't think was have had in this General Assembly a more caring person for those people who needed help. He worked in so many different areas and as someone has said about the health care issues, those things that are coming before us and have already been before us, our Human Resources Committee this year in the sense of looking at making available medical assistance, Medicaid to people who do not have that care today, part of the access bill, he offered a bill similar to that, I think even two sessions ago. So, he was somebody who was caring, somebody who wanted to help those people who least help themselves, and I certainly feel very honored to be able to speak on this resolution."

By Senator Daniel:

"Members of the Senate and to the family and friends of Nick Jeralds. I say we miss him as you do. Nick is a fixture in this place, whether he be physically with us tonight, but we do welcome this evening to share in the celebration of his life. It's occasions like this that really bring out in each of us, particularly serving here in the General Assembly, what it is to serve in this Body and the friendships that we make. I didn't know Nick Jeralds long, but I had an occasion to serve with him in being selected to serve as a Co-chair on the Access to Health Insurance Commission.

"Senator Tally, on one of those out-of-state meetings that you spoke of, Nick and I—I had a chance to be with him down in Austin, Texas, and I learned and I started to learn a

lot about this gentleman when I began to call him a 'Gentle Giant' not just because of his athletic prowess, but because of prowess in the areas of human services. I had watched him in the years before and championed the cause of children and the corporal punishment bill, and as we sat down in Austin, Texas in an out-of-the-way place at this seminar, I found out to his credit just how much he knew about health care and health care access. We talked a lot while we were down there about the unsettling fact of those that were insured today, unless we did something about the spiraling health care costs, would not be insured tomorrow. And I want to tell you family, Nick had a vision. He had a vision in health care that in the future that this was one of the basic rights that we as a society owed to the citizens of this State and to the citizens of this Nation.

"To him, health care access wasn't just some issue to be legislated, it was a lot more personal. Admit that sick children were unable to get the best education possible to turn their little lives around; admit the disabled, the under-privileged and the unemployed. To Nick Jeralds this crisis had faces and feelings and families. Admit the case of a Mrs. Nelson whose husband died from a rare form of cancer. The insurance companies refused to provide coverage to her three children because it was the type of cancer that could possibly be inherited. It also admit the case of Mrs. Robinson whose individual health insurance cost rose from $147.00 a month to $624.00 a month because of her health care conditions. Nick and I sat night after night on the public hearings at this Health Access Insurance Commission had in Charlotte and Greensboro and in other places and heard these stories. These and many like them needed a champion for their cause and as typical, Nick stepped to the front of the line as he had become accustomed to doing.

"During his 10 years in the Legislature he was there when decisions particularly on human resource matters so this new crusade for health care access was a perfect fit for him. Just as he was becoming not only a leader in this field, but also an authority, he was taken from us. This friend to the human spirit has said goodbye, but then again, he hasn't. His works and endeavors live on. Health access has become a priority in this Session, not only in this State, but in this Nation. Senator Edwards, I remember at Nick's funeral there was read a favorite poem, one that is a favorite of mine, 'The House by the Side of the Road' by Sir Walter Frost. In it he said:

> I see from my house by the side of the road, by the side of the highway of life,
> the men who press with the aura of hope, the men who are faint with strife.
> But I turn not away from their smiles nor their tears, both parts of an infinite plan,
> Let me live in a house by the side of the road, and be a friend of man.

Members of the Senate I can tell you from the bottom of my heart, this 'Gentle Giant' was a friend of man, a friend of all mankind. And Nick, I want to thank you for everything."

By Senator Conder:

"Mr. President, members of the family, ladies and gentlemen of the Senate. I did not get to know Nick until '87 or '88, sometime back then, and he was a champion of children's issues back before they became popular. He was very instrumental in working with some of us toward getting preschool for disadvantaged three- and four-year-old children. He had a very, very sincere feeling and dedication and love for all children, not just his. Don't know Nick's family except 'Sporty.' I did meet 'Sporty' through Nick at the Coliseum in Charlotte one night; and I could tell his love and dedication to you, 'Sporty,' and I know that if he felt that way about you, he felt that way about the rest of his family. And he did not limit it to his family, he thought that much about the other children in the State of North Carolina. We miss Nick, and we thank you for sharing Nick with us and the people of the State of North Carolina, and we certainly wish you well and we wish the memory of Nick Jeralds well, as well. Thank you."

By Senator Martin of Guilford:

"Mr. President, members of the Senator, Joanne, other members of the Jeralds' family. I just want to say a few words, most of which, I think, have already been covered to some extent or another tonight. One of the things I think that impressed me more than anything else about Nick, is given the fact that he was a crusader for children's issues, adolescent pregnancy matters, and health care and these various other things we have heard tonight. The thing that is most impressive is that is was very clear from knowing him that he was genuinely sincere about what he was doing. It was not a part of a political agenda, it was not a part of a preconceived notion, but it was for the idea of making this a better world, a better community, a better State. And I think that he played a great role in making that happen. As a matter of fact, I can't help but to think back upon the agenda that was created by John Kennedy relative to the civil rights legislation, although he was assassinated prior to the time that was enacted, his spirit sort of lived the battle until the next administration when it was passed. I look at the issues we are faced with health care today, tonight, this year as being of that same category. I know that we can always look forward to Nick Jeralds leading the fight, and this is one matter where we make these changes relative to the health care system, we can look at it and say we are winning it for Nick. Thank you, and I ask your support for the resolution."

By Senator Albertson:

"A lot of good things have been said tonight about Nick Jeralds, and I can tell you that they are all true. He was somebody who loved people. He really loved people, and that has got to be what life is all about. My life is better from having known him, and I commend this resolution to you."

By Senator Basnight:

"Thank you, Mr. President and to Nick's family, to members of this Body. It was in the last days of the Session when Nick Jeralds came to my office, and we were in conflict as we all can remember with the House with differences upon the budget. There was project in that budget at the time that meant a great deal to the people of this State and most especially to Fayetteville State University, and to the Representatives that represented that area at the time and that was Nick. It was late in the night, Jim, that he sat across from me and he spoke to me as a person who cared not just for that institution and that appropriation for that facility, but he spoke on behalf of all the people of this State and he spoke in that we should not have the conflict that we were having, and that it was not good, not just for this State, but it was not good for myself for those of us in the appropriations process or any of us who served in the North Carolina General Assembly. He said that night, George, 'There are no winners when we act like children, and that's the way we act now, and change would have to occur and occur quickly, because we were the losers, we were the people who represented those very ones who sent us here to make decisions as grown people, as grown men and women.' And he said, 'Marc, it is incumbent upon you as one of those people to make certain that not just this appropriation is approved, but all that we have worked for in this Session, because without it we lose the Session, and we lose what we are about.' He said, 'Be the man that you should be, make that change and make it now, not for Nick, not for me, but for the future generations that will live in this State.' He spoke from the heart, he spoke from what hopefully all people will speak from and that is the betterment of mankind. He is a man who greatly impressed me and one that North Carolina desperately needs in the future. To the family, I say, you gave us an opportunity to share with him, and he gave the State a better way by it. I thank you for giving Nick George— Nick Jeralds the opportunity for me to get to know him as well as the rest of us."

By Lieutenant Governor Wicker:

"Members of the Senate, I would be remiss if I didn't say that Nick Jeralds was one of the finest individuals I've ever associated with. Indeed, another great oak has fallen in North Carolina."

The joint resolution passes its second (39-0) and third readings. The Chair orders the joint resolution enrolled.

The Chair recognizes the family of Luther R. Jeralds including his widow, JoAnn; his children, Adonis, Dominic, and Minikki; and his mother, Winnie B. Jeralds. The Senate acknowledges the Jeralds family with a standing ovation.

SENATE CHAMBER,
Tuesday, February 23, 1993.

The Senate meets pursuant to adjournment and is called to order by the Honorable Dennis A. Wicker, Lieutenant Governor.

Prayer is offered by the Reverend Mike Morris, Senate Chaplain, as follows:

"Father, effective legislation is like effective ministry. It brings good news to the poor, proclaims liberty to captives and new sight to the blind and sets the downtrodden free.

"Encourage us never to separate our service to others from our spirituality. When our schedules tell us we are too busy to pray; that we have too many needs to attend to; too many people to respond to; too many wounds to heal; may we seek first Your guidance. We need not be in a desert or on a mountaintop to commune with You. The greatest events in history have been recorded from the valley where service and prayer were inseparable partners. Amen."

Senator Basnight, President *Pro Tempore*, announces the Journal of Monday, February 22, has been examined and is found to be correct. On his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

Prayer is offered by the Reverend Steve W. Lucas, former Senate Chaplain and presently Minister of Longwood Hills Baptist Church, Longwood, Florida, as follows:

"Father, it seems that there is very little good news these days that isn't bad news for someone. And a piece of legislation that helps one group often does so at the expense of another group, and sometimes this isn't altogether negative, depending on the issue and the two sides of that issue.

"But, sometimes, Father, we admit that we, as individuals, and as a people, long for news that is completely, one-hundred percent without qualification, good news, and good news for all, no matter what political, socioeconomic, or ethnic group, we belong to, or for that matter even what religious group we belong to. And that news is that You know us and love us, Father, and that when we suffer so do You. You are not an at-a-distance God, but an up-close and personal God, and these concerns discussed here today matter, not just to us, not just to North Carolina, but ultimately to You as well.

"For this truth, we give You thanks. Amen."

"Loving God, as the story goes, when it was time to give an offering, the poor widow came unobtrusively and dropped in two copper coins; it was all that she had to live on. This parable has as much to say about attitude as generosity.

"In today's world we prefer the headline to the byline; the bolder the print, the greater the contribution. But the widow teaches us a different ethic. Help us, like her, to make contributions to the world around us out of our poverty rather than our abundance. Then even greater works will be effected. Amen."

"God of Wisdom, the tradition in our society on April 1st is to use in jest and good nature the term 'fool'—'April Fool.' In the spirit of that tradition, Mark Twain once said, 'Let us be thankful for the fools. But for them the rest of us could not succeed.'

"O Lord, as this Session of the General Assembly moves forward, let us never be afraid of a new idea or unreceptive to a new thought, lest we pull down the shades of our minds and exclude Your Holy Light. When confronted by tough decisions, help us to remember that we do not have to explain all we know or understand all we believe.

"Give us the grace of humility and the spirit of an open mind, the courage to persist in the face of difficulties, and a steady confidence in the power of truth. Amen."

Except as otherwise specifically provided in these rules, no second is required.

RULE 19. **Motion; order of precedence.**—When a question is before the Senate no motion shall be received except those herein specified, which motions shall have precedence as follows:

(1) To adjourn.
(2) To lay on the table.
(3) For the previous question.
(4) To postpone indefinitely.
(5) To postpone to a certain day.
(6) To commit to a standing committee.
(7) To commit to a select committee.
(8) To amend.

RULE 21. **Motions to postpone to certain day and to commit.**—The respective motions to postpone to a certain day, or to commit to a standing or select committee, shall preclude debate on the main question.

RULE 22. **Motion to Substitute.**—Subject to Rule 19, a member may offer a motion to substitute to any motion, except the motions for the previous question, to table, or to adjourn. No motion to substitute shall be offered to a motion to substitute.

RULE 23. **Motion for previous question.**—The previous question shall be as follows: "Shall the main question be now put?" and until it is decided shall preclude all amendments and debate. If this question is decided in the affirmative, the "main question" shall be on the passage of the bill, resolution, or other matter under consideration; but when amendments are pending, the question shall be taken upon such amendments in their inverse order, without further debate or amendment. No one shall move the previous question except the chairman of the committee submitting the report on the bill or other matter under consideration, or the member introducing the bill or other matter under consideration, or the member in charge of the measure, who shall be designated by the chairman of the committee reporting the same to the Senate at the time the bill or other matter under consideration is reported to the Senate or taken up for consideration.

RULE 24. **Motion to reconsider.**—(a) When a question has been once put and decided, any Senator who voted in the majority may move to reconsider the vote

thereof. No motion for the reconsideration of any vote shall be in order after the bill, resolution, or other matter upon which the vote was taken has gone out of the possession of the Senate. No motion for reconsideration shall be in order unless made on the same day or in the next following legislative day on which the vote took place. When the next legislative day has by motion of the Senate been restricted as to matters which may be considered, a motion to reconsider shall be in order on the next succeeding day upon which regular business is conducted. No question shall be reconsidered more than once.

(b) Notwithstanding subsection (a) of this Rule, a motion to reconsider is in order at any time if made by the Chairman or, in his absence, the Vice-Chairman of the Committee on Rules and Operation of the Senate for the sole purpose of correcting grammatical errors in bills in the possession of the Senate.

IV. Voting

RULE 25. **Use of electronic voting system.**—(a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

(1) All questions on which the Constitution of North Carolina requires that the ayes and noes be taken and recorded on the Journal;

(2) All questions on which a call for the ayes and noes under Rule 26(b) has been sustained; and

(3) Second and third readings of bills proposing amendment of the Constitution of North Carolina.

(b) Votes on the following questions shall be taken on the electronic voting system and the resulting totals shall be recorded on the Journal:

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading, and all conference reports on public bills.

(2) Any other question upon direction of the Presiding Officer or upon motion of any Senator supported by one-fifth of the Senators present.

(c) When the electronic voting system is used, the Presiding Officer shall fix and announce the time, not to exceed one minute, which shall be allowed for voting on the question before the Senate. The system shall be set to lock automatically and to record the vote when that time has expired. Once the system has locked and recorded a vote, the vote shall be printed by the system.

(d) The voting station at each Senator's desk in the Chamber shall be used only by the Senator to which the station is assigned. Under no circumstances shall any other person vote at a Senator's station. It is a breach of the ethical obligation of a Senator either to request that another vote at the requesting Senator's station, or to vote at another Senator's station. The Presiding Officer shall enforce this rule without exception.

(e) When the electronic voting system is used, the Presiding Officer shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no';_____ seconds will be allowed for voting on this question; the Clerk will record the vote." After the machine locks and records the vote, the Presiding Officer shall announce the vote and declare the result.

(f) One copy of the machine print-out of the vote record shall be filed in the office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

(g) When the Presiding Officer ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, he shall announce that fact to the Senate and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the Senate require a call of the ayes and noes, the Clerk shall call the roll of the Senate, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All other votes shall be taken as prescribed in Senate Rule 26. If, after a vote is taken on the

electronic system, it is discovered that a malfunction caused an error in the electronic system print-out, the Presiding Officer shall direct the Reading Clerk and the Principal Clerk to verify and correct the print-out record and so advise the Senate.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system (the identification codes having no relation to the order of precedence of motions), the motions are coded as follows:

1. To lay on the table.
2. For the previous question.
3. To postpone indefinitely.
4. To postpone to a day certain.
5. To refer to a committee.
6. To reconsider.
7. To adopt.
8. To concur.
9. To take from the table.
10. Miscellaneous.

RULE 26. **Voice votes; call for ayes and noes.**—(a) When the electronic voting system is not used, all votes on which a call of the roll of the Senate is not required shall be taken by voice vote. The question shall be put as follows: "Those in favor say 'aye'," and, after the affirmative vote is expressed, "Opposed 'no'"; after which the Presiding Officer shall announce the result. If a division on any vote is desired, it must be called for immediately before the result of the voting is announced on any question, and upon such call, the Presiding Officer shall require the members to stand and be counted for and against the proposition under consideration.

(b) The ayes and the noes may be called for on any question before the vote is taken. If a Senator desires the ayes and noes recorded on the Journal on a question, he shall address the Presiding Officer and obtain recognition and say, "Upon that question I call for the ayes and noes." Whereupon the Presiding Officer shall say, "Is the call sustained?" If one-fifth of the remaining Senators present then stand, the vote shall be taken on the electronic voting system if it is operative, and the ayes and noes shall be recorded on the Journal. If the electronic voting system is inoperative, the roll of the Senate shall be called and the ayes and noes taken manually and recorded on the Journal. If fewer than one-fifth of the Senators present stand to sustain the call, the Presiding Officer shall announce, "An insufficient number up" and a vote by electronic voting or by voice, whichever is appropriate under the Rules of the Senate, shall be taken.

RULE 27. **Pairs.**— (a) If a Senator is paired with another Senator on a question, the Senator shall announce the pair as follows: "Mr. President, I desire to announce a pair. If Senator _____ were present, he would vote _____; I would vote _____ (the opposite)." The Senator shall send forward at that time a written statement of the pair on a form provided by the Principal Clerk and neither member of the pair shall vote on the question. A pair shall be announced before the vote is taken viva voce, or if the electronic voting system is used, before the machine is unlocked. The Clerk shall record the pair on the Journal when the Constitution or Rules of the Senate require a call of the roll and shall record on the electronic system print-out all pairs announced.

(b) This rule does not apply to committee or subcommittee proceedings.

RULE 28. **Dividing question.**—If any question contains several distinct propositions, it shall be divided by the Presiding Officer, at the request of any Senator, provided each subdivision, if left to itself, forms a substantive proposition.

RULE 29. **Duty to vote; excuses.**—(a) Every Senator who is within the Senate Chamber when the question is stated by the Presiding Officer shall vote thereon unless he is excused by the Senate.

(b) A Senator who is a member of a committee shall, upon request, be excused from deliberations and voting on the bill while it is before the committee. The Senator must

make the request to the chair of the committee when the bill is first taken up for consideration and before any motion or vote on the bill or any amendment to the bill. The Senator making the request for excuse in Committee must renew his request for excuse on the floor of the Senate as set forth in this Rule.

(c) Any Senator may move to be excused at any time from voting on any matter. The Senator may make a brief statement of the reasons for the motion which question shall be taken without debate on the motion.

(d) The Senator may send forward to the Principal Clerk, on a form provided by the Clerk, a concise statement of the reason for the motion, and the Clerk shall include this statement in the Journal.

(e) The Senator so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(f) A Senator may move that his excuse from deliberations on a particular bill be withdrawn, which question shall be determined without debate.

(g) A motion to be excused or for the withdrawal of an excuse shall be taken without debate.

RULE 30. **Explanation of vote.**—Any Senator may explain his vote on any bill by obtaining permission of the Presiding Officer after the final vote is taken. No more than three minutes shall be consumed in such explanation.

No bill for which a fiscal note has been requested may be considered for passage prior to the fiscal note being attached to the bill.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Presiding Officer, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chairman of the Rules and Operation of The Senate Committee as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the Senate.

(d) A sponsor of a bill or amendment may deliver a copy of his bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when he files the bill or to the amendment when he moves its adoption.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing his objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

1. State, municipal or other retirement system funded in whole or in part out of public funds; or
2. Program of hospital, medical, disability or related benefits provided for teachers and State employees, funded in whole or in part by State funds,

shall have attached to it at the time of its consideration by any committee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any committee, shall be separate therefrom, and shall be clearly designated as an actuarial note. Upon its introduction, a bill described in subsection (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with his request for an actuarial note, to the Fiscal Research Division which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the chief administrative officer of the retirement or pension system affected by the measure. The chief administrative officer shall have an actuarial note prepared by the system's actuary on the measure and shall transmit the note to the sponsor of the measure not later than two weeks after the request is received. The actuarial note shall be attached to the jacket of the measure.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any committee reports a measure to which an actuarial note is attached at the time of committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, the

chairman of the committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the Senate.

RULE 42.3. **Assessment reports.**—Every legislative proposal introduced in the Senate proposing the establishment of an occupational or professional licensing board or a study for the need to establish such a board shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the Senate or by any committee of the Senate prior to a favorable report, an assessment report from the Legislative Committee on New Licensing Boards, pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board.

Upon receipt of the request the Legislative Committee on New Licensing Boards shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days. A supplementary report shall be prepared and submitted to the requesting Senator not later than 30 days after the receipt of the request.

The fiscal note shall be prepared in consultation with the Sentencing Policy and Advisory Commission and shall identify and estimate, for the first five fiscal years the proposed change would be in effect, all costs of the proposed net increase in incarceration, including capital outlay costs if the legislation would require increased cell space. If, after careful investigation, the Fiscal Research Division determines that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.

(b) The sponsor of each bill or resolution to which this subsection applies shall present a copy of the bill or resolution with the request for a fiscal note to the Fiscal Research Division. Upon receipt of the request and the copy of the bill or resolution, the Fiscal Research Division shall prepare the fiscal note as promptly as possible. The Fiscal Research Division shall prepare the fiscal note and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

(c) This fiscal note shall be attached to the original of each proposed bill or resolution that is reported favorably by any committee, but shall be separate from the bill or resolution and shall be clearly designated as a fiscal note. A fiscal note attached to a bill or resolution pursuant to this subsection is not a part of the bill or resolution and is not an expression of legislative intent proposed by the bill or resolution.

(d) If a committee reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, the chair of the committee shall obtain from the Fiscal Research Division and attach to the amended bill or resolution a fiscal note as provided in this section.

Prayer is offered by Dr. Randall Lolley, Minister of First Baptist Church, Greensboro, as follows:

"Almighty God, our Heavenly Father, once again the gavel falls, a session begins, and the people's representatives pause to pray.

"This is the North Carolina State Senate, Lord. I am impressed. Are You?

"You were there when each of these Senators got their start. All in the same way, You provided the first gulp of air while the doctor provided the first slap on the backside.

"And You have been there with them, every day since—watching them grow—sometimes toward You; sometimes in different directions.

"Now, make all of them grateful and none of them forgetful that Your Gift of Life to them is Your Own Vote to keep them in office.

"This is the Senate, Lord.

"I am impressed. Here the women and men are so unique, so self-assured, that even their similarities are different. Theirs is a mighty stewardship both to You and to the electorate.

"Soon this place will reverberate with debate—the sound and fury of the people's work getting done.

"Help these Senators tonight to know, Lord, that the only place sainthood precedes servanthood is in the dictionary.

"In Your Own Name, we pray. Amen."

FIFTY-THIRD DAY

SENATE CHAMBER,
Tuesday, April 27, 1993.

The Senate meets pursuant to adjournment and is called to order by the Honorable Dennis A. Wicker, Lieutenant Governor.

Prayer is offered by Senator Howard N. Lee, as follows:

"God, sometimes being a Senator can feel so awesome and overwhelming. Yes, it is a special privilege for which we have asked. This alone makes us special. Because we keep doing the same thing over and over again, because we are special, we should symbolize truth, honesty, sincerity, respect, commitment, dedication, and productivity. When You look at our lives and our work and our living, is it possible that You can be satisfied that we are as special as we sometimes feel we are? If not, then keep us working toward trying to accomplish that goal. Help us to demonstrate all the qualities special people should demonstrate.

"Help us to meet today's challenges and the challenges of tomorrow to ensure the quality of life for this generation and generations in the future. Time, sometimes, is not our ally, so help us keep on keeping on. All this we ask. Amen."

Senator Soles, Deputy President *Pro Tempore*, announces the Journal of yesterday, Monday, April 26, has been examined and is found to be correct. On his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

Thompson, the late Representative from Chowan County, on Friday, April 23, 1993, are spread upon the Journal as follows:

"Mr. President, Members of this Body, I rise to speak about a person that has meant a great deal to myself, as well as all the people of the State of North Carolina. He was born some sixty-six years ago in Pasquotank County in the section of Weeksville. He left us this past Friday.

"He left Weeksville, went on to further his education after graduation from high school at N. C. State University, a school that he greatly loved.

"From there, he married 'Miss Carolyn,' they lived together for a number of years, had three wonderful children; Mark, who lives in San Diego now, graduated also from N. C. State as a mechanical engineer; he had two wonderful daughters, one, Gail, who lives here in Raleigh with her husband and her children, also another young lady by the name of Sherri, who lives in Bertie County, Frank, in the Merry Hill section. She was with her father on Friday, as she was with her mother when she passed away.

"It is very tragic that it happened at all. Frank, he was very special to myself, and to all who knew him. He gave a lot to the people of this State. He was a person of great quality, a person I greatly admired. All of you who knew him, knew him to be a man of high character and of outstanding quality. He cared, not for himself. Pete loved others. He was a very simple, common man who only wished to see all do well. He'll be greatly missed by not just his family and his district, but he'll be missed, I know, by each and every Senator here, because you all knew Pete. He was Pete. He was wonderful, and God gave us a great opportunity to share this short period of time with him. Pete's a man that I'll never forget. He was a roommate; he was a companion and a colleague. He was truly one great member of this Assembly.

"And, if I may, Mr. President, in honor of a very special person from my district, I move that we do now adjourn in honor of Pete, to reconvene on Tuesday, April 27, at 1:30."

"Grant unto these elected-ones guidance in governance and legislation. Grant unto them patience with allegiances and courage in dealing with issues beyond the scope of human understanding. In protecting provincial interests, may none lose sight of the common good and the basic needs of each person in the larger constituency of life.

"May sound judgment rule this hall as we appeal to You for wisdom beyond ourselves.

"May the compassion we seek equal the compassion we give, as we work to increase the love of God and neighbor.

With unanimous consent, on motion of Senator Plyler, the remarks of members speaking to the joint resolution are spread upon the Journal, as follows:

By Senator Plyler:

"Ladies and Gentlemen of the Senate, thank you, very much. I would like to say to the Members of the Senate and to the family and to the ones in the gallery, that Dwight Quinn was a great friend of everyone here. There might be a few of you that did not serve with Dwight, but there's very few of you.

"Dwight came to the Legislature in 1950 and, as the Resolution says, he served for eighteen consecutive terms, which was thirty-six years. I came to the Legislature, first elected in 1974, and started serving with Dwight in 1975. Dwight, Betty Thomas, and I represented the same District, which was Union and Cabarrus Counties. Dwight took me as a good friend and as a member of the House and really did work with me time and time again to show me and tell me everything that he possibly could and could get soaked into my noggin. But he was just great, he was with me most of the time. In fact, some of them called us Mick and Mack, we were together so much.

"We campaigned together, our families were very close, we compared our families many times as being two families a lot alike because we were so close. We stayed on the 8th floor of the Hilton at that time, and of course, the rates were $11.00 a day, Senator Soles, if you recall that. But, Dwight and Marian and Dot and I were the only two that they would let stay on the 8th floor. The reason I got up there was because of Dwight. Dwight would take his time to talk and work with anyone, regardless of whether they was his constituent or not. He was just that type of a man. He would walk the halls of the Legislature looking for someone that he could help.

"Dwight was a great chairman of the committees that he chaired. He was Chairman of the Finance Committee in the House for about half of the time that he was here, and that means about sixteen or eighteen years. He was the best counter in the entire Legislature. When he called a meeting together, Senator Harris, and he called for the vote, he could count them quicker than any computer that you've ever seen, and he would be sure that they would be counted in the right way. Dwight ran his committee, he started it on time and he stopped it on time. He did not have any squabbling among the membership whatsoever, he just ran a committee like they should be run.

"Dwight was a great fisherman. They had a home at Ocean Drive and he stayed there a good bit in the last few years. He loved to fish, he loved to be on the beach and talk to people and just make friends. That was his whole life, was to make friends. He was a great friend not only of Appalachian, but all of the Universities of North Carolina. Serving as Vice-Chairman of the Advisory Budget Commission for several years, he worked hard for education and see that the people of North Carolina got the best education that was possible. He was named Doctor, got a doctorate degree at Appalachian, and then a fine building was named the Dwight W. Quinn Building, which is on the campus there and a beautiful facility.

"Dwight and I campaigned many, many hours and many days and many weeks together. As you know, we all have to run every two years. And we spent many hours together. But one of the best campaign people that Dwight ever had was his lovely wife, Marian. She would get out on the campaign trail and work, and they have said that she was a better campaigner than Dwight. Of course, I kinda doubt that at some times, but she was an excellent campaigner any time that she was out on the campaign trail.

"Dwight had a very, very close family. After he retired from the House, he was here for awhile and he did some lobbying, very light lobbying, and then he spent a lot of time not only at the beach, but in Atlanta with his wife and with his daughter that lives there, Linda, and with his four grandchildren and his son-in-law. He was in Atlanta when he passed away. I had the call one night and it was a shock to me, as well as it was to all of you, that Dwight had passed away. Because he had not been sick. It was sudden, and that's the way Dwight would have chosen it if he'd had his own way about it. But he has a wonderful family—brothers and sisters in Kannapolis and Cabarrus County. Everyone up there respected Dwight as, not only the Dean of the North Carolina House, but as a man that they could depend on and they would know that he could go to the Governor of North Carolina, to the United States Senators, to the Congress, or here in the Legislature, and everyone would listen to him.

"Serving with nine Governors is a record, and fifteen Speakers of the House. You know, Dwight was nearly Speaker at one time. He come within very few votes of being Speaker of the House. And, of course, I think it was a mistake that he wasn't Speaker, because he would have make an excellent Speaker. Dwight is one man that I would say was known throughout North Carolina as more than any legislator ever because of his closeness to not only the members of the Legislature, which he told me at one time he had served with more than 1,000 members of the North Carolina General Assembly. And that, within itself, is a great record.

"We all miss Dwight, but we know he has left behind a wonderful, wonderful family. He's left behind a wonderful, wonderful record as a legislator, a wonderful man in his community, a wonderful employee of Cannon Mills, and just one of the finest people that was ever born and lived in America.

"Mr. President, and Ladies and Gentlemen of the House, I urge your vote and support for this Resolution for a gentlemen that was my close friend, your close friend, North Carolina's close friend, and I would appreciate your support."

By Senator Conder:

"Mr. President, Ladies and Gentlemen of the Senate. I echo every single thing that Senator Plyler has said. My first relationship with Dwight Quinn occurred much earlier in my political career when I was contemplating seeking another office. Cabarrus County, being the largest County in the district, I was told the first thing I needed to do was go see Dwight Quinn at Cannon Mills in Cabarrus County. I took off from home and went up there and met with Dwight. He didn't say yes, he also did not say no. As it turned out, I did not run, but I got a lot of good advice and counsel from Dwight Quinn. And as far as I know, every political candidate or potential political candidate in that area of North Carolina had to go by, Marian, and meet with Dwight and see whether he would get his blessing or not whether you ran for political office. His impact on this State will be very positively identified—present, past, and future. Because if you've read, and as you know, Dwight Quinn has made a significant impact on the lives of every single North Carolinian in this State.

"I had a personal relationship that happened to me in my first year down here. I had a bill that passed the Senate. And I went over to the House Finance Committee, and, incidentally, Senator Hunt, whenever the 8:30 bell rang, that gavel dropped. And you better be in your place, because he ran a tight ship, and he ran a good shop over there.

But my bill was in trouble, and as Senator Plyler said, he sensed immediately my bill was in trouble. So Representative John Church was sitting right in front of him, and before anybody had a chance to do anything, Dwight said, 'Representative Church moves that this bill be withdrawn from today's Calendar and put on the Calendar two weeks from today.' So, he saved me the embarrassment of getting my bill killed in the House Finance Committee that day. And, man, I'll never forget him for that, because he taught me a good lesson in parliamentary procedure and the way you run a committee. And, you other Committee Chairs, if you haven't learned, you ought to go back and observe the way Dwight Quinn ran a committee, because he was a master at that job, and I really commend him for it.

"And, again, I commend this Resolution to you because Dwight Quinn was a friend to all of us and to all of you, and if you get a chance to see later on, he has a beautiful family, a family that anybody would be proud of. And I commend the Resolution to you. Thank you."

By Senator Hartsell:

"Thank you, Mr. President and Members of the Senate. As a native of Cabarrus County, one cannot acknowledge existence there without having known and revered Dwight Quinn, despite party affiliations or anything else. I can remember as a young lawyer having the opportunity to meet him for the first time, and discovering his knowledge of what took place in this Body. Last night I had the occasion to call my predecessor in the Senate, who happened to have served with Mr. Quinn, because, to me, he is still Mr. Quinn, for a number of years both in the House and when he was there in the Senate, as well. And I think that perhaps the adage—a little corollary to the adage about 'no man is so tall as when he stoops to help a child'—'no legislator is so tall as when he stoops to help a freshman.' Jim Johnson told me that as a freshman Republican in the House in the late '60s, he sat in Seat No. 120, and Dwight Quinn sat in Seat No. 1. And Jim came down and he made a motion and he botched it but good. And Dwight—Mr. Quinn, excuse me—walked to the back and just talked with him a little bit; told him how to do what he needed to do in a very casual, earnest, and helpful way. This is to a man that crossed party lines just after election, where they opposed each other. This was the man that we knew in Cabarrus County.

"There are three pages here today from Cabarrus County, ironically. Walking around this Building today is a group of school children from Kannapolis, the City he revered and the City for which he gave everything he had. It's always amazing to me how much you can accomplish if you don't care who gets the credit. Dwight Quinn didn't care who got the credit. He tried to get the job done, and he did it, we remember him for it, and if you know anything about the history of Cabarrus County, or you go anywhere in the County, particularly in the area around Kannapolis, you cannot avoid being touched by what he did. I commend the Resolution to you."

By Senator Hyde:

"Mr. President, Members of the Senate, I'll try to be brief on this. But I must speak for Dwight Quinn. Being one of those older members who served so many years ago, I find that I rise again and again as these Resolutions come by, but I knew Dwight. I was in the Senate first in the mid '60s when he was in the House. And then later in the '70s, I served in the House with him. And I guess, perhaps it's just one of my traits, but down through life I've found that I categorize people too quickly perhaps, but nevertheless, I do, and I find this, or that, or the other word to describe them.

"Dwight Quinn was dependable. Dependability describes Dwight Quinn. He reminds me of a verse in the Old Testament where—I'll not tell you to go read it, but if you should, you'll find that they speak of 'those who stand in the gap.' They were speaking of those fighters who stood in the gaps of the mountains and held the enemy off of their people. The same thing happened in the War Between the States when General Lee was

marching up on the east side of the mountains and the crews in the gaps before Antietum, and his men held off and they stood in the gaps. They fought. Giddeon soldiers were the same kind, in the Old Testament, the kind that could stand in the gap.

"Every once in awhile something comes along that reminds us of those who do stand when they need to. Dwight Quinn and I belonged to the same political party, we fought in the same war, we served in the same General Assembly, we had similarities. I only wish I could be as fully dependable as Dwight Quinn was. I never saw any man who'd stand by his word more sturdily, who would tell you the truth more quickly, and who would tell you whether you wanted to hear it or not, exactly where the count was. That's been referred to before. He could do that, and he did do that. And I admired him, perhaps as great as any person that I've ever met. He was quiet, he was easygoing, but he was firm. You didn't have to go to him the second time to haggle the vote. Once was enough. Dwight Quinn was a great American, and I am honored to even stand here and speak of him today. I commend this Resolution for you."

By Senator Parnell:

"Mr. President, Members of the Senate, I had the privilege and honor to serve with Dwight Quinn in the House the four terms that I was over there. He was a fine gentleman; he was a fine legislator; and he was the kind of person, I think, that we are glad to honor in this Body. He was loyal and he was honest, and he was considerate of the opinions of others who served with him. He was not one that would override your opinion. He was one that, I believe, it's been pointed out, that he was a team player, that he would support the Speaker, whoever it might have been. In the long career that he had, he worked many times and many hours to support the legislation, maybe, of the leadership or the Governors who might have been in office at the time he served. And, as I said, he was a team player, and one who was loved by all of those who served with him. And Mr. President and Members of the Senate, I consider it a great privilege to have called him my friend, in not only the years that I served in the House of Representatives, but in those years that I moved over here and he was still in the House. I commend this Resolution to you."

By Senator Seymour:

"Thank you, Mr. President, and Members of the Senate. When I was elected in 1976 and came to the House of Representatives and was sworn in in 1977, two of the first people I met, really, three of the first people that I got to know well, were Dwight Quinn, Aaron Plyler, and Betty Thomas. And through the eight years that I served in the House of Representatives, Dwight Quinn was constantly frank, he was wise and guided me with his wisdom. Senator Hyde, he was certainly dependable. He was a man of his word. And when Liston Ramsey appointed me to chair Public Utilities, Dwight Quinn became my real adviser, because we were dealing with some very difficult measures, some new concepts in public utilities and regulating public utilities in the State. And I knew that Dwight, with the experience that he had from having chaired that committee, and also all the years of experience, that he would set me on the right path and see that I kept the committee running with a steady hand.

"It wasn't until a few years ago that I had an opportunity to repay some of Dwight Quinn's kindnesses to me. And one of the things I remembered the most was when we were trying to get the travel-tourism sales tax passed for the Cities of High Point and Greensboro. It became a very hotly contested issue, even among the Guilford legislative delegation. But Dwight gave me his word he would help me to get that measure through and I walked on the floor of the House one day and he said, 'Do you have your amendment ready?' He took the bill off of the Calendar, moved it long enough for me to get the amendment passed. As I said, several years later he called me one day and said, 'Mary, I need two hotel rooms in Greensboro during the furniture market and during the GGO.' It took some doing, but I sure wasn't gonna let Dwight Quinn down, because he hadn't let the City of Greensboro down; and it was in part because of him that we had

that travel-tourism tax, and he had two rooms at the Four Seasons Motel because of that. It was a privilege to have had that kind of opportunity to repay a man in some very small way for something that he had done that had meant so much to me and to my constituents. I urge your support of the Resolution."

By Senator Smith:

"During the time that Dwight and Marian were staying at the Hilton, now known as the Brownstone, I was staying there also, and I don't know some of you all remember, but on the hot summer days some of the gentlemen would get together and walk across the street for a block or so and get some ice cream. And I don't know whether Dwight was cheap or not, but Marian, his wife, always looked to me like she'd like to have some ice cream. So one night, I said, 'Marian, would you like me to bring you a cone back?' She said, 'Sure would,' So I hopped over there with Dwight and the rest of them. We got some ice cream, and I brought her a cone back. And from that time on, I didn't have any trouble with Dwight at all. I just checked with Marian, and she'd say, 'Well, whatever Senator Smith wants,' she better help him out. So that's the kind of lady she is, and I'll agree with you, Aaron, she was some kinda campaigner."

By Senator Speed:

"Thank you, Mr. President, Members of the Senate, the Quinn Family, and visitors in the gallery. I can certainly echo all that has been said; everything that has been said is very appropriate, and certainly true. The Resolution says it well. I had the opportunity of going to the North Carolina House in 1961. Dwight was a veteran member of that Body at that time. He had a position of leadership prior to that time and for many years after. He helped steer me through some of the processes that certainly were helpful to me. We served together in the House six terms thereafter, and after I came to the Senate, he was still in the House and was very helpful on many occasions.

"Dwight was a person that you could always depend on. Whatever he told you, you could certainly count on it. He had the ability of making friends. And he had friends all over the State of North Carolina. Because he had served the State well and had certainly given favors to many, many people in many areas of the State. Of course, he gave special attention to his district, and that still stands out that Appalachian University and some other areas of that section, the outstanding job that he did there. But it was my privilege to be a friend of his. My wife, Martha, and Marian were close friends, and we enjoyed the friendship of each other for many years. And I shall miss him for a long time. I certainly commend the Resolution to you."

By Senator Richardson:

"My first term down here, I served in the House and Speaker Ramsey (Liston) put me on Finance. And I heard all this great talk about this man named Dwight Quinn, what a great chairman he was and tried to get a few brownie points myself, I went to his first meeting and I said, 'Representative Quinn, I want to be cooperative and I want to help this committee and be a good legislator. What would you advise?' And he said, 'I'd advise you to go sit on the second row, and the first year you're here, listen and don't say nothing.'" (Laughter)

By Lieutenant Governor Wicker:

"Members of the Senate, with the permission of the Senate, the Chair would like to make a few remarks about this Resolution."

With unanimous consent, the Chair addresses the Senate:

"I served eight years with Dwight Quinn in the House, and came to know him very well. My father had served with him, before me. I think the things you heard about Dwight Quinn today are true. He was a great man. But I think the characteristic that sticks out in my mind is part of his greatness was the fact that he always championed those who didn't have a voice. He always looked after those who didn't have an interest. And he probably wouldn't have told them that if he'd had the opportunity to do so. I will

say to you that Dwight was, what I consider, a mathematics genius because he could indeed, Senator, count those committee votes in any way he wanted to and it came out right. But more than all, I think Dwight Quinn earned the respect of not only the House members and the Senate members, but those associated with State government. He was held in very high esteem by everyone who knew him, and I would say to you that when you talk about greatness, you have to talk about Dwight Quinn. He is truly one of the most outstanding members ever to serve in the halls of the General Assembly, and, indeed, another great oak has fallen in North Carolina."

"Members of the Senate, before we go into the Calendar, I am going to direct your attention to Rule 47 of your Rules. The Chair has noted that up to this session we have been having Chairmen refer bills from their committee to other committees, and that, I think, is certainly within the Rules. But the Chair has also noted that there have been occasions when you have Chairmen or members who wish to recall a bill from Committee and place it on the Calendar. Up to this point, the Chair has been very liberal and lax in enforcing Rule 47, but I must tell you that as of today it will be strictly enforced and would ask you to familiarize yourself with the Rule and the notice requirements therein.

By Senator Winner of Buncombe:

"May I ask if it's your interpretation that it could be done without the notice if it's done by unanimous consent of the Body. In other words, if there is no objection."

By Lieutenant Governor Wicker:

"Senator, let me simply say that I'm gonna call them on the Rule and if they want to do it by unanimous consent and overrule me, fine. I have no problem with that. I'm just saying that these are your Rules—they're not mine."

Prayer is offered by the Reverend Mike Morris, Senate Chaplain, with a quote by Rudyard Kipling, as follows:

"God, our Father, it is the beginning of a new week. More importantly it is May 3. Inevitably, the Senators and staff begin to feel the press of time constraints against the volume of bills that have yet to become law.

"Your Gracious Presence and a positive attitude will be great allies in the coming weeks. Kipling said it well,

> If they are able to keep their heads when all about them are losing theirs and blaming it on them. If they can trust themselves when all others doubt them—but make allowance for the doubting. If they can meet triumph and disaster, and treat those two impostors just the same...

"Then at the end of each day when much is accomplished they will hear You say, 'Well done, good and faithful servant!' Amen."

Wednesday May 5, 1993.

The Senate meets pursuant to adjournment and is called to order by the Honorable Dennis A. Wicker, Lieutenant Governor.

Prayer is offered by the Reverend Mike Morris, Senate Chaplain, with a quote by Frederick Buechner, as follows:

"Gracious God, today is designated as World Day of Prayer. Recognizing one such day somehow implies that if we rally the troups, sing in unison, You are more likely to respond.

"Have we forgotten the Scripture lesson that teaches us to 'pray without ceasing?' Are You more likely to respond to our 'Hallelujah Chorus' today than to the plaintiff solo prayer of a man, woman, or child who needed You yesterday or will need You tomorrow?

"Teach us, O Lord, on this World Day of Prayer that we must keep beating a path to Your door. If we do so, there is one thing we can be sure of: 'that You will hear us and even if You don't bring the answer we want, You will bring Yourself. And maybe at the heart of all of our prayers that is what we are really praying for.' Amen."

Senator Soles, Deputy President *Pro Tempore*, announces the Journal of yesterday, Tuesday, May 4, has been examined and is found to be correct. On his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

With unanimous consent, the President grants a leave of absence for today to Senator Gulley.

The Senate meets pursuant to adjournment and is called to order by the Honorable Dennis A. Wicker, Lieutenant Governor.

Prayer is offered by the Reverend Mike Morris, Senate Chaplain, as follows:

"God, Our Father, an ancient saying suggests that there are two wings by which we rise, one being a personal relationship with You and the other community charity.

"As we begin a new week, teach us anew that it is impossible to do the full will of God without the guidance and empowerment of a vital personal relationship with You.

"Devotional vitality and social action is also emphasized in the two great commandments: to love You with all one's being and to love others as ourselves.

"Remind us, O Lord, that none of us can fly by flapping only one wing. Amen."

SIXTY-FIFTH DAY

SENATE CHAMBER,
Tuesday, May 18, 1993.

The Senate meets pursuant to adjournment and is called to order by the Honorable Dennis A. Wicker, Lieutenant Governor.

Prayer is offered by Dr. Douglas Vaughan, Minister of First Presbyterian Church, Wilmington, as follows:

"God of Heaven and Earth, we stand before You today as citizens of a State richly blessed by a benevolent Creator. How grateful we are for the stirring mountains and calming seas, the rapid rivers and fertile fields, dynamic cities and quiet hamlets of North Carolina. And how enriched we are by the cultures and customs of many lands and races whose people have come here and whose talents and toil have built our State. Truly, we are blessed to live in so gracious and so generous a place. And we thank You for that blessing.

"And we acknowledge that with blessing comes responsibility. We ask for Your Guidance to be given to these members of the North Carolina Senate whom we have asked to exercise responsibility on our behalf. Guide them, we pray, through the labyrinth of decisions of today's complex circumstances in which choices are not always so clear between exploiting nature to benefit people, between supporting policies that benefit some but not others, between short-term gains with long-term consequences, between compassion and competition.

"Yet, we know that You are more concerned even than we with the decisions that are made in these chambers. So help these Senators to know the right and to do it. Give them the joy of work well done. Be a part, too, of their personal and family relationships, and may all the people of our State be strengthened by Your Presence with us here in this session today. We ask it in the Name of Jesus Christ. Amen."

Senator Basnight, President *Pro Tempore*, announces the Journal of yesterday, Monday, May 17, has been examined and is found to be correct. On his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

"Loving God, in the whirlwind of activity that accompanied last week's crossover deadlines, when legislative days extended to long nights, calendars bulged to manuscript size, three and four conversations were carried on simultaneously. You were there in all of the chaos to help Senators and staff bring order to the bills that were proposed.

"In the days ahead help them to know not only what to do, but how to accomplish their goals. If minds need making up, You, who made our minds, can show us how to do that. If minds need changing, You can work that miracle, too.

"We are grateful for Your Presence in the storm and in the quiet that follows. Amen."

SIXTY-EIGHTH DAY

SENATE CHAMBER,
Monday, May 24, 1993.

The Senate meets pursuant to adjournment and is called to order by the Honorable Dennis A. Wicker, Lieutenant Governor.

Prayer is offered by the Reverend Mike Morris, Senate Chaplain, paraphrased from Wishful Thinking by Frederick Buechner, as follows:

"Dear God, when You told Abraham, who was a hundred years old, that his ninety-year-old wife, Sarah, was finally going to have a child, Genesis says he fell on his face laughing. Sarah, eavesdropping from the next room, laughed also. And so You told them to name their son Isaac, which in Hebrew means laughter.

"Why did Sarah and Abraham laugh? They laughed because they knew only a fool would believe such a story. They laughed because You expected them to believe it anyway. They laughed because You believed it and they halfway believed it themselves. They laughed because by chance if it just happened to come true they would really have something to laugh about.

"And so here we are, Senators and staff, beginning a new week with tasks before us more formidable some would say than Sarah at ninety giving birth to a baby.

"Though we may laugh in response for the same variety of reasons as Abraham and Sarah, at least give us the gift of laughter and a faith which is the assurance of things hoped for; the conviction of things not yet seen or realized. Amen."

Senator Basnight, President *Pro Tempore*, announces the Journal of Thursday, May 20, has been examined and is found to be correct. On his motion, the Senate dispenses with the reading of the Journal and it stands approved as written.

Prayer is offered by Dr. Les Wicker, Trinity United Church of Christ, Conover, as follows:

"O Great and Loving Spirit, You have always been, and before You nothing was. There is no one to pray to, but You. The star nations of the heavens are Yours and Yours are the grasses of the field. You are older than all need, older than all prayer, and older than life.

"Lifting prayers to such an Eternal Spirit gives us strength, courage, and resolve to do what must be done, to do what You have called us to do.

"For You are our God, and You, Alone, know not only the beginning, but the ending.

"We trouble ourselves with consequences, but may our concern be always and only for Your purposes and for public duty.

"In our minds there is often honest confusion and perplexity about what is right and good.

"But we know there is never confusion with You. We, therefore, pray that this day and always we will be guided to do what is right.

"Give us that clear vision that we may know what we stand for, lest we fall for anything. Give us a passion always to be Your servant people in the service of leading the people of this great State. These and all prayers are made in the Name of Christ. Amen."

"God, help us to become one with Your Love and Mercy, as we remember others who suffer in mind or spirit—that they may have relief and wholeness. Ones who grieve, we mourn their loss; we pray for those who are anxious, that they may find trust in You. We remember those who are lonely, that they may find companionship; and for all who are oppressed or excluded by barriers or labels, that they may find freedom to live a full and rich life.

"God, You have made our lives the occasion for new beginnings. This hour marks such an opportunity for many of us. Provide us with strength and direction to meet the challenges of our responsibilities this day, and the courage and wisdom to speak bravely on issues that are significant to a quality of life for each of us.

SEVENTY-EIGHTH DAY

SENATE CHAMBER,

Prayer is offered by the Reverend Mike Morris, Senate Chaplain, as follows:

"Loving and Gracious God, in this difficult and complicated world, Robert Fulghum's words serve for us as a refresher course on ethics:

"He wrote, 'Most of what I really need to know about how to live and what to do and how to be I learned in kindergarten. Wisdom was not at the top of the graduate-school mountain but there in the sandpile. These things I learned:

> Share everything... Play fair... Don't hit people... Put things back where you found them... Clean up your own mess... Don't take things that aren't yours... Say you're sorry when you hurt somebody... Wash your hands before you eat...

Live a balanced life—learn some and think some and draw and paint and sing and dance and play and work every day some.

When you go out into the world, watch out for traffic, hold hands, and stick together.'

"Isaiah said, '...and a little child shall lead them.' So be it, Lord. Amen.'"
